ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

The WPBHA is enthusiastic about the future. We have embraced the philosophy of moving toward a new definition of public housing and the development of additional affordable housing resources. We continue to focus our resources on projects that support our mission. This new emphasis is evidenced by reorganizing the current administration into a centralized, Resident's Service Center. We have already implemented early childhood education facilities, and a State of the Art Computer training center. Additional space will provide for the WPBHA Leadership Council

(RAB) conference area, and dedicated space for city, county and state human service providers.

The HA has formalized partnerships with the Pleasant City Faith Based Initiative, Lisc, and a private developer to build a mixed finance, mixed income housing development at the site of our failed HOPE VI application. However, the housing authority may apply for HOPE VI Revitalization and or Demolition Grants, while we move forward with alternate plans.

A well-regarded local service provider has approached the Housing Authority about partnering in the establishment of a community wide youth service facility. The Police Athletic League, the Community Courts, the City and several faith-based organizations are also involved. Plans call for using a parcel of land owned by the Housing Authority; we will ensure there is no net loss of affordable housing by implementation of these plans, and are negotiating with the city for a “lot swap” that will allow development of a mixed use facility.

The City's Economic and Community Development Department will work with the West Palm Beach Housing Authority, to offer public housing residents the opportunity and encouragement to become homeowners through First Time Home Buyer Assistance Program. In addition the city has established a process by which the City considers, before adoption, those policies procedures, ordinances, regulations or plan provisions that have significant impact on the cost of housing.

The City has also approved incentives to expedite processing of building permits for affordable housing units.

APPENDIX 1

PET POLICY

Except for assistive animals, which are excluded, residents must have the prior approval of the Housing Authority before moving a pet into their unit. Residents must request approval on the Authorization for Pet Ownership Form that must be fully completed before the Housing Authority will approve the request.

The West Palm Beach Housing Authority will allow only domesticated dogs, cats, birds, fish in aquariums or animals that are housed in a container in units. All dogs and cats must be neutered.

Only one (1) pet per unit will be allowed.

Any animal deemed to be harmful to the health or safety of others will not be allowed. Attack or fight trained dogs and poisonous creatures will not be allowed.

No animal may exceed thirty (30) pounds in weight.

In order to be registered, pets must be appropriately inoculated against rabies and other conditions prescribed by local ordinances.

A pet deposit of \$75 is required at the time of registering a pet. The deposit is refundable when the pet or the family vacate the unit, less any amounts owed due to damage beyond normal wear and tear. In addition, a non-refundable fee of \$100 is required.

The West Palm Beach Housing Authority, or an appropriate community authority, will require the removal of any pet from a project if the pet's conduct or condition is determined to be a nuisance or threat to the health or safety of other occupants of the project or of other persons in the community where the project is located.

APPENDIX 2

STATEMENT OF PROGRESS 5-YEAR PLAN MISSION AND GOALS

The 5-year plan has been amended to reflect the progress of the West Palm Beach Housing Authority over the past year. Those areas affected are discussed below.

The West Palm Beach Housing Authority implemented a “Contractor Pool” to turn over all existing vacancies. Our procurement policy was revised to include procedures for pre-negotiated pricing. We are nearing a 100% public housing lease-up rate, and once that is accomplished we will consider contracting out vacancy turn-around on a permanent basis. The elimination of infestation in all developments is being accomplished. Private exterminators treat all units on a monthly basis. Property Managers accompany the exterminators to inspect and enforce the housekeeping requirements. The Authority recently received an additional 415 Section 8 vouchers and is now close to achieving a 100% lease up rate. Work continues on the asset management plan.

Capital improvements are nearing completion in the Robinson Village community, and improvements continue in all other developments. The WPBHA has improved the Curb appeal of our developments by contracting with private landscapers to provide consistent professional grounds maintenance to all our properties. Unsightly trash, dead plant material and unkempt ground cover are removed weekly. The visual improvement is apparent to all passers-by.

The Housing Authority is again contemplating applying for a HOPE VI Revitalization Grant as well as a Hope VI Demolition Grant. However, we continue to pursue other financing options in both the public and private sectors to accomplish current development goals.

We have applied for a reclassification of 20 units in Dunbar Village from dwelling units to Resident Services.

The Housing Authority will work to collaborate with various city, county, and state agencies for the provision of a Youth Services Center located in the Twin Lakes development, and acquire additional property from our city to allow for mixed use development.

Traffic calming in Twin Lakes has already been successfully implemented before the target date of December 2002. The Family Self-Sufficiency program has been reorganized and is now handled through the Guatemalan Maya Center.

The WPBHA has acquired 96 units of affordable housing at a 100% loan to value mortgage. This mortgage is secured by a private issue tax-exempt bond.

APPENDIX 3
