**CERTIFICATE OF BUILDING INSPECTION
(FARM LABOR CAMP)**

TO: THE LOCAL BUILDING OFFICIAL

All buildings used to house farm laborers must have a Certificate of Occupancy issued by the Massachusetts Department of Public Health before it can be occupied. Among the various requirements for certification is that the building be structurally safe. Determination of that will be based upon the issuance of a Certificate of Inspection by you under the authority of the State Building Code. Your assistance in completing this form is appreciated.

THE BUILDING LOCATED AT:

(STREET)

(CITY/TOWN)

and operated as a farm labor camp, has been inspected under the provisions of the State Building

Code on _____, and was found to fall into the use classification of

_____. A Certificate of Inspection has (Not)

been issued and is valid until _____

(DATE)

SIGNED: _____

DATE: _____
