(e) A person may not require another person to execute an out of hospital DNR declaration and order as a condition for being insured for or receiving health care services.

(f) This chapter does not impair or supersede any legal right or legal responsibility that a person may have to effect the withholding or withdrawal of CPR in a lawful manner.

Sec. 24. This chapter creates no presumption concerning the intent of a person who has not executed an out of hospital DNR declaration and order to consent to the withholding or withdrawal of CPR if a terminal condition exists, or if a medical condition exists such that the outcome of performing CPR would have the results specified in section 10(2) of this chapter.

Sec. 25. This chapter does not authorize euthanasia or any affirmative or deliberate act or omission to end life other than to permit the natural process of dying.

Sec. 26. The act of withholding or withdrawing CPR, when done under:

- (1) an out of hospital DNR declaration and order issued under this chapter;
 - (2) a court order or decision of a court appointed guardian; or
 - (3) a good faith medical decision by the attending physician that the patient has a terminal illness;
- is not an intervening force and does not affect the chain of proximate cause between the conduct of a person that placed the patient in a terminal condition and the patient's death.

Sec. 27. A person who knowingly or intentionally:

- (1) physically cancels or destroys an out of hospital DNR declaration and order without the declarant's consent;
- (2) physically cancels or destroys an out of hospital DNR declaration and order without the declarant's representative's consent if the declarant is incompetent; or
- (3) falsifies or forges a revocation of another person's out of hospital DNR declaration and order;

commits a Class B misdemeanor.

Sec. 28. (a) A person who knowingly or intentionally:

- (1) falsifies or forges the out of hospital DNR declaration and order of another person with intent to cause the withholding or withdrawal of CPR; or
- (2) conceals or withholds personal knowledge of the revocation of an out of hospital DNR declaration and order with intent to cause the withholding or withdrawal of CPR;

commits a Class C felony.
