Douglas E. Lumpkin, Director

August 16, 2010

Dear Potential Vendor:

This letter is to announce the re-release of the Ohio Department of Job and Family Services (ODJFS) Request for Letterhead Bids (RLB) Number JFS-R-1011-06-8056, to obtain a vendor to execute a mail and Internet survey of a sample of business establishments in Ohio to determine the number of green jobs in Ohio and the common green occupations. This competitive opportunity was originally released to Ohio Minority Business Enterprises on June 11, 2010, but no vendor responses were received. The RLB is now being re-released as an open-market opportunity for any qualified firm.

ODJFS has need of such survey services as part of a larger employment program project. For background material related to this RLB, interested vendors may consult an abstract of the Indiana, Michigan, and Ohio project proposal, and a report on a similar survey conducted by Michigan in 2009. These two documents, respectively, may be found at: <http://ohiolmi.com/grants/AutoGrant.pdf>, and, http://www.milmi.org/admin/uploadedPublications/1604_GreenReport_E.pdf.

If you are interested in submitting a proposal for this important project, please visit the ODJFS web site for procurement opportunities at <http://www.jfs.ohio.gov/rfp/> and follow directions for accessing this RLB. If you experience problems opening this ODJFS URL, please contact the RFP/RLB Unit at (614) 728-5693.

Responses must be prepared and submitted in strict accordance with the requirements and time frames given in the RLB. Thank you for your attention to this request.

Sincerely,

Linette Alexander, Interim Deputy Director

**Ohio Department of Job and Family Services
Request for Letterhead Bids (RLB)
RLB#: JFS-R-1011-15-8056**

I. Purpose

The Ohio Department of Job and Family Services (ODJFS) is soliciting bids to identify one vendor who will execute a mail/Internet survey of a sample of business establishments in Ohio to determine the number of green jobs in Ohio and the common green occupations. For the purpose of this work, green jobs are defined as those that produce goods or services related to producing renewable energy, increasing energy efficiency, clean transportation and fuels, agriculture and natural resource conservation, pollution prevention and environmental cleanup.

This survey of business establishments is part of a larger grant project. Interested vendors may consult the following materials to become familiar with larger project. An abstract of the Indiana, Michigan, Ohio project proposal is at: <http://ohiolmi.com/grants/AutoGrant.pdf>.

Ohio's green jobs survey will be based on the green jobs survey conducted by Michigan in 2009. The report on that survey may be found at the following link:
http://www.milmi.org/admin/uploadedPublications/1604_GreenReport_E.pdf.

This Request for Letterhead Bids (RLB) document is released by ODJFS, and the subsequent contract expected to result from this RLB process will be a contract between the selected vendor and ODJFS. ODJFS will designate a staff member as the ODJFS Contract Manager to provide on-going supervision of the contractor selected through this RLB. The contract period for this project is expected to run from approximately July 1, 2010, to June 30, 2011. No extensions or renewals are planned for the contract expected to result from this RLB.

ODJFS will only accept proposals from vendors that demonstrate their capability of providing services as described in this RLB. For the purpose of this RLB, the term "vendor" shall be defined as an organization interested in this opportunity. The term "contractor" is used in reference to the successful vendor selected through this RLB.

ODJFS is under no obligation to enter into a contract with any vendor as a result of this solicitation, if, in the opinion of ODJFS, none of the proposals are responsive to the objectives and needs of the Department. ODJFS reserves the right to not select any vendor should ODJFS decide not to proceed. Changes in this RLB of a material nature will be provided on the agency website. All vendors are responsible for obtaining any such changes without further notice by ODJFS.

This Request for Letterhead Bids (RLB) was originally released June 21, 2010, requesting bids from State of Ohio Certified Minority Business Enterprises (MBEs) vendors with a due date of July 9, 2010. However, as ODJFS received no qualifying responses at that time, this RLB opportunity is now re-released to all qualified responsive vendors.

II. Time and Date of Submission

Organizations, companies, firms, or individuals who are interested in submitting letterhead bids must make their submission not later than **3:00 p.m. Eastern (local) Time on Tuesday, September 7, 2010**. Faxes will not be accepted. Bids must be addressed to:

**Office of Legal and Acquisitions Services
Ohio Department of Job and Family Services
30 East Broad Street, 31st Floor
Columbus, Ohio 43215-3414
ATTN: RFP/RLB Unit**

For hand delivery on the due date, vendors are to allow sufficient time for downtown parking considerations, as well as for security checks at both the lobby of the Rhodes State Office Tower (address as stated above) and again on the 31st Floor. All bids received on the due date will be accepted by the Office of Legal and Acquisitions Services on the 31st Floor of the Rhodes Tower. **ODJFS is not responsible for any bids delivered to any address other than the address provided above.**

All submissions must be received, complete, by mail or hand delivery by the above date and time. Materials received after the submission deadline date will not be added to previous submissions, nor be considered. No confirmations of mailed bids received can be provided. Submission of a bid indicates acceptance by the vendor of the conditions contained in this RLB, unless clearly and specifically noted in the bid submitted and confirmed in the contract between ODJFS and the vendor selected.

IV. Internet Question & Answer Period; RLB Clarification Opportunity

Potential vendors may ask clarifying questions regarding this RLB via the Internet during the Q&A Period as outlined in **Section III, Anticipated Procurement and Project Timetable**. To ask a question, potential vendors must use the following Internet process:

- * **Access the ODJFS Web Page at <http://jfs.ohio.gov/>**
- * **Select “About JFS” on the front page;**
- * **Select “Doing Business with ODJFS;”**
- * **Select “Requests for Proposals, Letterhead Solicitations, and Other Invitations;”**
- * **RFP Number *JFSR1011158056*;**
- * **Follow the link to the dedicated web page;**
- * **Select “Submit Inquiry” near the bottom of the web page;**
- * **Follow instructions there for submitting questions.**

Questions about this RLB must reference the relevant part of this RLB, the heading for the provision under question, and the page number of the RLB where the provision can be found. The name of a representative of the potential vendor (or other interested party), the company name, phone number, and e-mail address must be provided to submit an inquiry. ODJFS may, at its option, disregard any questions which do not appropriately reference an RLB provision or location within the RLB, or which do not include identification for the originator of the question. ODJFS will not respond to any questions submitted after **8:00 a.m.** on the date the Q&A period closes.

ODJFS responses to all questions asked via the Internet will be posted on the Internet website dedicated to this RLB, for public reference by any interested party. ODJFS will not provide answers to directly to the vendors (or any interested party) that submitted the question. All questions about this RLB that are submitted in accordance with these instructions will be answered on the RLB’s dedicated web page.

Questions submitted may be no more than 4,000 characters in length, but there is no limit on the number of questions submitted. The answers provided by ODJFS may be accessed by following the instructions above, but rather than selecting “Submit Inquiry,” vendors and others should select “View Q and A.” ODJFS strongly encourages vendors to ask questions early in the Q&A period so that answers can be posted with sufficient time for any possible follow-up questions.

Vendor proposals in response to this RLB are to take into account any information communicated by ODJFS in the Q&A process for the RLB. **It is the responsibility of all potential vendors to check this site on a regular basis for responses to all questions, as well as for any amendments, alerts, or other pertinent information regarding this RLB.**

Accessibility to questions and answers are clearly identified on the website dedicated to this RLB, **once submitted questions have been answered.**

IMPORTANT: Requests from potential vendors for copies of previous RFPs/RLBs, past vendor proposals, score sheets or contracts for this or similar past projects, are Public Records Requests (PRRs), and are not clarification questions regarding the present RLB. PRRs submitted in accordance with directions provided in **Section XV., Communication Prohibitions**, will be honored. The posted time frames for ODJFS responses to Internet questions for RLB clarification do not apply to PRRs.

Vendors are to base their RLB responses, and the details and costs of their proposed projects, on the requirements and performance expectations established in this RLB for the future contract, NOT on details of any current or past related contract. Requirements under a current project may or may not be required by ODJFS under any future contract, and so may not be useful information for vendors who choose to respond to the RLB. If vendors ask questions about existing or past contracts using the Internet Q&A process, ODJFS will use its discretion in deciding whether to provide answers.

There is an established time period for the Vendor Q&A process (see **Section III, Anticipated Procurement and Project Timetable**, above). ODJFS will only answer those questions submitted within the stated time frame for submission of vendor questions, and which pertain to issues of RLB clarity, and which are not requests for public information. ODJFS is under no obligation to acknowledge questions submitted through the Q&A process if those questions are not in accordance with these instructions.

* Should vendors experience technical difficulties accessing either the ODJFS website where the RLB and its related documents are published, they may contact the ODJFS Contracts and Acquisitions, RFP/RLB Unit, at (614) 728-5693 for guidance.

V. Qualifications

In order to be considered for the project described in this RLB, ODJFS requires that interested vendors must meet, at minimum, all the following qualifications.

Additionally, the Technical Proposal Score Sheet (Attachment E.) identifies other mandatory requirements (such as submission before the deadline) for acceptance of a proposal for consideration.

In order to be considered for the project described in the RLB, ODJFS requires that interested vendors **must** meet, at minimum, **all** of the above qualification requirements as well as any other requirements listed on the Score Sheet as mandatory. **Vendors that do not meet all these mandatory requirements will be disqualified from further consideration for contract award.**

B. Organizational Experience and Capabilities

In order to be considered for the contract expected to result from this RLB, ODJFS requires that interested vendors provide the following:

1. Examples of at least two (2), but no more than four (4), mail surveys with large sample sizes. The examples should include a methodology narrative for each survey including response rate and quality control information.
2. Examples of at least two (2), but no more than four (4), telephone surveys with large sample sizes. The examples should include a methodology narrative for each survey and any internal training or monitoring materials related to response rate and data quality including efforts to maximize response and minimize bias; and,
3. Examples of at least two (2), but no more than four (4), telephone surveys of business establishments with large sample sizes. The examples should include survey methodology reports and internal training or monitoring materials related to response rate and data quality including efforts to maximize response and minimize bias.
4. Demonstrated capacity or the ability to subcontract for sufficient capacity to execute the Scope of Work as described in this RLB within the time period allotted. This includes:
 - a. the ability to produce a survey mailing for a sample of 15,000 businesses;
 - b. telephone interviewing capacity to make enough follow-up calls to bring the overall response rate to 50 percent, preferably 50 percent on each industry stratum;

- c. the ability for telephone interviewers assigned to the project to connect to an Internet data entry site or enter data on computer-assisted telephone interviewing system that can produce a data file that can be merged with data from the Internet site;
- d. ability to provide documentation of progress and response rates as needed;
- e. maintain a postal business reply account for receiving mailed questionnaires; and,
- f. capability for receiving and storing incoming faxes without loss.

C. Staff Experience and Capabilities

The vendor must demonstrate significant expertise and comprehension of the work described in this RLB by assigning staff to key leadership roles for this project. Key positions require profiles and curriculum vitae. The vendor must, at minimum:

1. Identify and assign a Project Manager who possesses at least three (3) years experience managing survey projects, including two (2) years experience managing business surveys, and possesses at least a Bachelor's Degree;
2. Identify and assign a Lead Interviewer Supervisor with at least two (2) years experience supervising telephone interviewers, including one (1) year of experience supervising telephone surveys of business establishments; and,
3. Include resumes with education and pertinent experience of the Project Manager, Lead Interviewer Supervisor, and other key staff expected to work on this project. If telephone interviewing is subcontracted, include resumes for the Project Manager, Lead Interviewer Supervisor, and other key staff expected to work on this project.

The ODJFS Contract Manager, if unsatisfied with job performance of any of the selected vendor's staff and/or sub-contractors, may ask for the replacements. The selected vendor will be subject to a key personnel contractual requirement. ODJFS must be notified of any impending changes in key personnel and must approve any proposed replacement staff.

Important - Sensitive Personal Information: It is the affirmative responsibility of the vendor submitting a proposal to remove all personal confidential information (such as home addresses and social security numbers) of vendor staff and/or of any subcontractor and subcontractor staff from resumes or any other part of the proposal package. Following submission to ODJFS, all proposals submitted become part of the public record. ODJFS reserves the right to disqualify any vendor whose proposal is found to contain such prohibited personal information.

VI. Scope of Work

Under the contract resulting from this RLB, the selected vendor will execute a mail/Internet survey of a sample of 15,000 business establishments in Ohio to determine the number of green jobs in Ohio and the common green occupations. The selected vendor will be required to mail the survey questionnaire copies to the specified establishments (per ODJFS) In this mailing, establishments will be encouraged to

complete the questionnaire online. Following the mailing, the selected vendor will be required to contact the establishments by telephone and request their completion of the questionnaire by the means most convenient to the establishments. Establishments will be given multiple avenues for responding to and requesting information about the survey. The goal is to attain a response rate of at least 50 percent of establishments in the sample. Establishments are presumed to be in the sample unless they are shown to be out of business. The experiences of other states conducting green jobs surveys of business establishments suggest that a response rate of 50 percent is attainable only when business establishments receive follow up contacts by telephone.

VII. Specifications of Deliverables

This section sets forth the minimum activities and deliverables that will be required of the selected vendor under the contract expected from this RLB:

A. Printing and Mailing of Survey Materials

1. All printing and mailing costs will be borne by the contractor. Approximately 15,000 survey packets will be mailed. The contractor must use first-class U.S. mail to distribute the survey. ODJFS will determine the mailing list, which will consist of a stratified random sample of establishments throughout Ohio. ODJFS will provide the contractor with an electronic database that will contain contact information and a unique identifier number for each establishment;
2. The vendor will be responsible for printing mailing envelopes, cover letters, information sheets, questionnaires, and postage-paid return envelopes. ODJFS will supply electronic files of the cover letter, questionnaire, and information sheet for printing. **Appendix A. to this RLB** is a draft (*current as of 4/21/2010*) of the questionnaire. The survey cover letter and questionnaire must be printed in color on white paper of at least 70#. The contractor must print or affix the establishment contact information and identifier code on the cover letter, questionnaire, and mailing envelope; and,
3. The vendor will be responsible for the quality and integrity of the survey mailings. Misprinted or missing materials and mismatched mailings (e.g., respondent information on questionnaire does not match information on the mailing envelope) are solely the responsibility of the contractor.

B. Data Collection and Survey Follow-Up

1. ODJFS will establish a web site on which respondents can directly enter their answers. Survey materials will encourage respondents to use the web site to respond to the survey. However, in order to maximize the response rate, the contractor will be responsible for engaging in follow-up telephone calls to respondents and for providing multiple avenues for responding. Some business establishments are not expected to have jobs meeting this project's criteria of a green job, but follow up contacts will be needed to ascertain this;

2. The vendor must develop and execute a plan to call non-responding business establishments to request that they complete the questionnaire. The vendor must develop training and a script (to be approved by ODJFS prior to implementation) to guide their interviewers through the contact process. Calls should be directed to someone in operations management or human resources who has the knowledge to respond to the questionnaire. If requested, telephone interviewers must be able to enter businesses' survey responses using the ODJFS data entry website or their own system. The vendor must work with ODJFS to maintain a current list of survey non-responders and must maintain a system of tracking calls and call attempts. This may require recording new contact information and making multiple calls to establishments. The vendor must maintain a system for making follow-up calls by appointment if requested by a respondent. The vendor must have the ability to fax or e-mail copies of the survey materials to respondents on request;
3. The vendor must maintain a toll-free telephone number 24/7 that respondents can use to ask questions about the survey. This number will be included in survey materials mailed to business establishments. ODJFS will provide the vendor with a list of responses to frequently asked questions and will work with the vendor to update the responses as needed. The vendor must be able to enter data into the web site on behalf of respondents if requested or if deemed appropriate; and
4. The vendor must maintain toll-free fax 24/7 capability for collecting survey responses. This number will be included in survey materials mailed to business establishments.

C. **Project Management Activities**

The Project Manager shall serve as a point of contact between the contractor and ODJFS. The Project Manager duties shall include, but may not be limited to:

1. Regular communication with ODJFS to monitor progress and identify problem areas; and,
2. Submit activity and progress reports at required intervals for inclusion in required federal reports. Generally, these reports will be less than one page.

VIII. Vendor Compensation

On the Cost Proposal Form (provided as **Attachment E** to this RLB), vendors are to propose their firm, fixed, all-inclusive cost for each deliverable. The proposed prices for each deliverable are to represent the entire cost the vendor offers for the full and successful completion of that deliverable. The sum of the proposed cost of all deliverables to be performed under the resulting contract will be the vendor's total cost for successful completion of the work described in this RLB.

For the purposes of calculating response rates, a completion means 1) a business establishment tells us how many green jobs they have (preferably answering through section 4 of the draft questionnaire); 2) an establishment tells us they have no green jobs; or 3) there is evidence (more than just an undeliverable questionnaire) an establishment is no longer operating (out of business or moved out of the state).

Vendors are to use their business expertise in pricing the work described in this RLB, taking into consideration any intervening steps or activities that must be performed in order to complete the work, and offer their costs accordingly, even if ODJFS does not explicitly identify those intervening costs in this RLB. No separate travel expenses or any other type of expenses will be paid under the contract to result from this RLB.

The total contract award for the selected proposal will be for the full duration of the project, from the award date through the termination date. The contract award will strictly correspond with the approved cost proposal.

Compensation will be made monthly via the submission of invoices. Providers must submit valid invoices to ODJFS within ten business days after the last business day of the previous month. Compensation will be made monthly as reimbursement for actual, allowable, expenditures incurred and paid by the selected vendor during the billing period in accordance with the vendor's accepted cost proposal.

IX. Format of Submission

To be accepted and forwarded to the ODJFS Proposal Review Team (PRT), the vendor's proposal must include a signed original and four (4) copies of a technical proposal, and a non-rewritable CD-ROM copy of the entire original technical proposal, according to the format and composition details provided below.

- Technical Proposal. One signed original and four (4) copies of the Technical Proposal labeled: **“TECHNICAL PROPOSAL ENCLOSED FOR GREEN JOBS SURVEY SERVICES, RLB#: JFS-R-1011-15-8056 SUBMITTED BY (VENDOR NAME AND DATE OF SUBMISSION),”** along with one non-rewritable CD-ROM containing a copy of the entire Technical Proposal. The requested CD will be used by ODJFS primarily for storage/archiving purposes and for Public Records Requests; and,
- Cost Proposal. One original and two (2) copies of the Cost Proposal must be submitted in a separate, sealed envelope labeled: **“COST PROPOSAL ENCLOSED FOR GREEN JOBS SURVEY SERVICES, RLB#: JFS-R-1011-15-8056 SUBMITTED BY (VENDOR NAME AND DATE OF SUBMISSION).”** The sealed cost proposal must also include one non-rewritable CD-ROM containing a copy of the entire Cost Proposal.

The vendor's Technical Proposal shall contain all the information as specified for each component listed below. It is mandatory that vendor proposals be organized in the following order. Any other information thought to be relevant, but not applicable to a specific RLB section number/letter must be provided as an appendix to the proposal and so marked as an additional tab. ODJFS reserves the right not to review submitted appendices which include information or materials that were not required in the RLB. However, the proposal will be scored on the relevancy to the stated responsibilities as well as the conciseness, clarity, flow, and neatness of the information presented. A proposal which is incomplete, vague, unjustifiably wordy, unclear, or poorly organized may not be successful. All pages in The Technical Proposal shall be sequentially numbered either per tab or for the document as a whole.

A. Technical Proposal Organization

Tab 1: Forms and Certifications

Vendors submitting proposals must include a completed “Required Vendor Information and Certifications,” which includes required attestation identified as the “Location of Business Form” (provided as **Attachment A** to this RLB), a completed “Request for Taxpayer Identification Form W-9” (provided as **Attachment B** to this RLB) and the DMA form (provided as **Attachment C**). The vendor must provide originals of these three documents, signed in blue ink by a qualified vendor representative, in this part of the technical proposal packet. **Failure to include required certifications and attestations will result in the vendor’s disqualification.**

Vendors are required to provide a declaration regarding material assistance to terrorist organizations or organizations that support terrorism as identified by the U.S. Department of State Terrorist Exclusion List, and as described in **Attachment C, Declaration Regarding Material Assistance/Non-Assistance to a Terrorist Organization**. Vendors who fail to provide a signed and completed **Attachment C**, risk disqualification. This form may also be accessed and printed at the Ohio Department of Public Safety, Division of Homeland Security’s Website at <http://www.homelandsecurity.ohio.gov>.

Tab 2: Vendor Qualifications. The vendor proposal must include information and/or documentation as outlined in Section V, Qualifications, demonstrating how the vendor and its staff meet the requirements, specifically:

- Sub-Tab 2a.** Mandatory Vendor Qualifications (Section V., A.,1 through 5)
- Sub-Tab 2b.** Organizational Experience & Capabilities (Section V., B.,1 through 4.,a. through 4.,f.)
- Sub-Tab 2c.** Staff Experience and Capabilities (Section V.,C., 1 through 3)

Tab 3: Scope of Work and Specifications of Deliverables

- Sub-Tab 3a.** Deliverable A (1. through 3.)
- Sub-Tab 3b.** Deliverable B (1. through 4.)
- Sub-Tab 3c.** Deliverable C (1. and 2.)

All pages in the Technical Proposal must be sequentially numbered, with the exception of Tab 1 contents.

B. Vendor Cost Proposal.

On the Cost Proposal Form (provided as **Attachment F** to this RLB), vendors are to propose their firm, fixed, all-inclusive cost for each deliverable I'm not sure how to word this. From my point of view, it should be cost per completed response, and we will accept three types of completions:

- 1) an establishment (a business location) tells us how many green jobs they have (preferably answering through section 4 of the draft questionnaire);
- 2) an establishment tells us they have no green jobs; and
- 3) we get evidence an establishment is no longer operating (out of business or moved out of the state or country). #3 has to be more than just an undeliverable

questionnaire. The proposed prices for each deliverable are to represent the entire cost the vendor offers for the full and successful completion of that deliverable. The sum of the proposed cost of all deliverables to be performed under the resulting contract will be the vendor's total cost for successful completion of the work described in this RLB.

Vendors are to use their business expertise in pricing the work described in this RLB, taking into consideration any intervening steps or activities that must be performed in order to complete the work, and offer their costs accordingly, even if ODJFS does not explicitly identify those intervening costs in this RLB. No separate travel expenses or any other type of expenses will be paid under the contract to result from this RLB.

The total contract award for the selected proposal will be for the full duration of the project, from the award date through the termination date. The contract award will strictly correspond with the approved cost proposal.

Compensation will be made monthly via the submission of invoices. Providers must submit valid invoices to ODJFS within ten business days after the last business day of the previous month. Compensation will be made monthly as reimbursement for actual, allowable, expenditures incurred and paid by the selected vendor during the billing period in accordance with the vendor's accepted cost proposal.

X. Selection Process

All proposals will be reviewed and scored by a Proposal Review Team (PRT) comprised of ODJFS staff. Vendors should not assume that the review team members are familiar with any current or past work activities with ODJFS. Proposals containing assumptions, lack of sufficient detail, poor organization, lack of proofreading, and unnecessary self-promotional claims will be evaluated accordingly. PRT members are required to sign disclosure forms to establish that they have no personal or financial interest in the outcome of the proposal review and contractor selection process. The PRT reserves the right to reject any and all proposals, in whole or in part, received in response to this request. The PRT may waive minor defects that are not material when no prejudice will result to the rights of any vendor or to the public.

In scoring the proposals, ODJFS will score in three phases: Phase I—Initial Qualifying Criteria, Phase II—Scoring of the Technical Proposal, and Phase III—Consideration of Proposed Cost. In addition, the PRT may, at its option, elect to conduct interviews as part of the process. All score criteria are presented in the Technical Proposal Score Sheet, which is provided as **Attachment E** to this RLB.

DISQUALIFIERS FOR PROPOSAL ERRORS:

- Any vendor's Technical Proposal found to contain any prohibited cost information shall be disqualified from consideration. Cost information is defined as any dollar amounts which might be deemed to be indicative of the relative cost or economy of the proposed project. Information on the assets, value, or historical business volume of the vendor is NOT considered to be such prohibited cost information, and MAY be included in any vendor's technical proposal as information on business capacity and stability. All prohibited cost information must be submitted with the separate, sealed Cost Proposal. The Technical Proposal is defined as any part of the vendor's proposal (either as required by ODJFS or sent at vendor's discretion), such as work plan, resumes, letters of recommendation, letters of cooperation from any subcontractors, etc., which is

not specifically identified by ODJFS as a required component of the separate, sealed Cost Proposal. Should a vendor determine to include in the technical proposal any documents which contain such cost information, the cost information in those documents must be made unreadable by the vendor before submission of the proposal to ODJFS. Failure to follow these instructions will result in disqualification.

- Any trade secret, proprietary, or confidential information (as defined in Section XI., E. of this RLB) found anywhere in a vendor's proposal shall result in immediate disqualification of that vendor's proposal.
- Any sensitive personal information on vendor or sub-contract staff (e.g., social security numbers, addresses) must be omitted from vendor proposals, or rendered fully unreadable, or ODJFS may at its option disqualify the vendor from any consideration.

XI. RLB Process Information and Other Contractual Requirements:

A. State Contracts

Responses must list any current contracts the vendor has with State of Ohio agencies. The list must indicate the purpose of the contract, the amount of the contract, the time period covered by the contract, and the percent of the project completed. Vendors must complete a copy of the Required Vendor Information and Certifications Document (provided as **Attachment A**) to report this information, and include the completed document in the vendor's proposal as specified in Section IX., A, of this RLB.

B. Interview

Vendors submitting proposals may be requested to participate in an in-depth interview as part of the evaluation process. The interview, if necessary, may include participants from ODJFS and any representatives it may appoint. ODJFS reserves the right to select from responding vendors for interviews and may not interview all vendors submitting proposals. The vendor shall bear all costs of any scheduled interview.

C. Start Work Date

The selected vendor must be able to begin work no later than seven (7) working days after the time funds are encumbered and approved by the Office of Budget & Management. The selected vendor will be notified by the ODJFS contract manager when work may begin. **Any work begun by a contractor prior to this notification will NOT be reimbursable by ODJFS.**

D. Proposal Costs

Costs incurred in the preparation of this proposal are to be borne by the vendor, and ODJFS will not contribute in any way to the costs of the preparation. Any costs associated with interviews will be borne by the vendor and will not be ODJFS' responsibility (see Section XI, B.).

E. Trade Secrets Prohibition; Public Information Disclaimer

Vendors are prohibited from including any trade secret information as defined in Ohio Revised Code (ORC) 1333.61 in their proposals in response to any ODJFS RFP, Requests for Letterhead Bids (RLB) or other procurement efforts. ODJFS shall consider all proposals or similar responses voluntarily submitted in response to any ODJFS RFP, RFA, RLB, or other procurement document, to be free of trade secrets and such proposals shall, in their entirety, be made a part of the public record.

All proposals and any other documents submitted to ODJFS in response to any RFP, RLB, etc., shall become the property of ODJFS. This RLB and, after the selection of a vendor for award, any proposals submitted in response to an RFP/RLB are deemed to be public records pursuant to R.C. 149.43. For purposes of this section, the term “proposal” shall mean both the technical proposal (or application or other response documentation) and the cost proposal, if opened, submitted by the selected vendor/applicant, and any attachments, addenda, appendices, or sample products.

Any proposals submitted in response to any ODJFS RFP, RLB, etc. which make claims of trade secret information shall be disqualified from consideration immediately upon the discovery of such unallowable claim.

F. Contractual Requirements

Any contract resulting from the issuance of this solicitation is subject to the terms and conditions as provided in the model contract, which is provided as **Attachment D** to this RLB. Potential vendors are strongly encouraged to read the model contract to be fully aware of all ODJFS contractual requirements.

G. Travel and Parking Expense Reimbursement

No travel or parking expenses, nor any other expenses, will be covered.

H. Public Release of Records

Public release of any evaluation or monitoring reports funded under this contract will be made only by ODJFS. Prior to public release of such reports, ODJFS must have at least a 30-day period for review and comment.

I. Confidentiality

All contracts or other business agreements will require that the contractor maintain the confidentiality of information and records which state and federal laws, rules, and regulations require to be kept confidential.

J. Ethical & Conflict of Interest Requirements

1. No contractor or individual, company or organization seeking a contract or other business agreement shall promise or give to any ODJFS employee anything of value that is of such character as to manifest a substantial and improper influence upon the employee with respect to his or her duties;

2. No contractor or individual, company or organization seeking a contract or other business agreement shall solicit any ODJFS employee to violate any of the conduct requirements for employees;
3. Any contractor acting on behalf of ODJFS shall refrain from activities which could result in violations of ethics and/or in conflicts of interest. Any contractor or potential contractor who violates the requirements and prohibitions defined here or of Section 102.04 of the ORC is subject to termination of the contract or other agreement or refusal by ODJFS to enter into a one; and
4. ODJFS employees and contractors who violate Sections 102.03, 102.04 2921.42 or 2921.43 of the ORC may be prosecuted for criminal violations.

K. Unresolved Findings for Recovery (R.C. 9.24)

Ohio Revised Code Section 9.24 prohibits ODJFS from awarding a contract to any entity against whom the Auditor of State has issued a finding for recovery if the finding for recovery is “unresolved” at the time of award. By submitting a proposal, the vendor warrants that it is not now, and will not become, subject to an “unresolved” finding for recovery under R.C. 9.24 prior to the award of any contract or business agreement arising out of this RLB, without notifying ODJFS of such finding. ODJFS will review the Auditor of State’s website prior to the evaluations of any proposal submitted pursuant to this RLB. ODJFS will not evaluate a proposal from any vendor whose name, or the name of any of the subcontractors proposed by the vendor, appears on the website of the Auditor of the State of Ohio as having an “unresolved” finding for recovery.

L. Mandatory Contract Performance Disclosure

Each proposal must disclose whether the vendor’s performance, or the performance of any of the proposed subcontractor(s), under contracts for the provision of services that are the same or similar to those described in this RLB, has resulted in any “formal claims” for breach of those contracts. For purposes of this disclosure, “formal claims” means any claims for breach that have been filed as a lawsuit in any court, submitted for arbitration (whether voluntary or involuntary, binding or not), or assigned to mediation. If any such claims are disclosed, vendor shall fully explain the details of those claims, including the allegations regarding all alleged breaches, any written or legal action resulting from those allegations, and the results of any litigation, arbitration or mediation regarding those claims, including terms of any settlement. While disclosure of any formal claims in response to this section will not automatically disqualify a vendor from consideration, at the sole discretion of ODJFS, such claims and a review of the background details may result in a rejection of the vendor’s proposal. ODJFS will make this decision based on its determination of the seriousness of the claims, the potential that the behavior that led to the claims could negatively impact vendor’s performance of the work, and the best interests of ODJFS.

M. Mandatory Disclosures of Governmental Investigations

Each proposal must indicate whether the vendor and any of the proposed subcontractor(s) has been the subject of any adverse regulatory or adverse administrative governmental action (federal, state, or local) with respect to vendor’s performance of services similar to those described in this RLB. If any such instances are disclosed, vendor must fully explain, in detail, the nature of the governmental action, the allegations that led to the governmental action, and the results of the

governmental action including any legal action that was taken against vendor by the governmental agency. While disclosure of any governmental action in response to this section will not automatically disqualify a vendor from consideration, such governmental action and a review of the background details may result in a rejection of the vendor's proposal at the sole discretion of ODJFS. The decision by ODJFS on this issue will be based on a determination of the seriousness of the matter, the matter's potential impact on the vendor's performance of the work, and the best interests of ODJFS.

N. Vendor Selection Restriction

Any vendor deemed not responsible, or submitting a proposal deemed not to be responsive to the terms of this RLB, shall not be selected for this project.

O. Prohibition against Services Performed Outside the United States

All vendors seeking an award of an ODJFS contract must attest that no funds provided by ODJFS would be used to purchase services provided outside the United States or to contract with a subcontractor who will use the funds to purchase services provided outside the United States. This required attestation is identified as the "Location of Business Form" included in the "Required Vendor Information & Certifications Documents," provided as Attachment A. to this RFP. The entire form must be printed, completed, and signed by the interested vendor's authorized representative, and returned to ODJFS as a component of the vendor technical proposal. **Failure to include the completed and signed form, including the Location of Business Form, will result in the vendor's disqualification from consideration.**

P. Waiver of Minor Proposal Errors

ODJFS may, at its sole discretion, waive minor errors or omissions in proposals, bids, and/or forms when those errors do not unreasonably obscure the meaning of the content. Additionally, ODJFS reserves the right to request clarifications or completions from vendors to any information in their proposals, bids, and/or forms, and may request such clarification as it deems necessary at any point in the proposal/bid review process.

XII. Health Insurance Portability & Accessibility Act (HIPAA) Requirements

As a condition of doing business with ODJFS, the contractor, and any subcontractor(s), will be required to comply with 42 U.S.C. Sections 1320d through 1320d-8, and to implement regulations at 45 C.F.R. Section 164.502 (e) and Sections 164.504 (e) regarding disclosure of protected health information under the Health Insurance Portability and Accountability Act (HIPAA) of 1996. Protected Health Information (PHI) is information received by the contractor from or on behalf of ODJFS that meets the definition of PHI as defined by HIPAA and the regulations promulgated by the United States Department of Health & Human Services, specifically 45 CFR164.501 and any amendments thereto.

In the event of a material breach of vendor obligations under this section, ODJFS may at its option terminate the contract.

XIII. State Contracts

Proposals must list any current contracts the vendor has with State of Ohio agencies and universities/colleges. The list must indicate the purpose of the contract, the amount of the contract, the time period covered by the contract, and the percent of the project completed. Vendors must complete the “**Required Vendor Information and Certifications**” (provided as **Attachment A**) and include the completed document in the vendor’s proposal as specified in Section IX, Format of Submission.

XIV. Caveat

ODJFS is under no obligation to select a vendor as a result of this solicitation if, in the opinion of ODJFS and the proposal review team, none of the proposals are responsive to the objectives and needs of the Department. ODJFS reserves the right to not select any vendor should ODJFS decide not to proceed with the project.

XV. Communication Prohibitions

From the issuance date of the RLB, until a contract is in effect, there may be no communications concerning the RLB between any interested potential vendor and any employee of ODJFS in the issuing office, or any other ODJFS employee, or any other individual regardless of their employment status, who is in any way involved in the development of the RLB or the decision with a formal procurement.

The only exceptions to this prohibition are as follows:

- A. As necessary in the case of any pre-existing business relationship between ODJFS and a vendor which could potentially respond to this RLB, in order to conduct that business;
- B. As part of an interview necessary for ODJFS to make a vendor selection decision;
- C. If it becomes necessary to revise any part of this RLB, revisions will be posted on the ODJFS web page established for this RLB; and
- D. If it becomes necessary to revise any part of this RLB, revisions will be posted on the ODJFS web page: <http://www.state.oh.us/odjfs> and notices of such will be sent to vendors on the original mailing list and to anyone participating in the clarification process conducted pursuant to Section IV. above; and
- E. Any Public Records Request (PRR) made through the ODJFS Office of Legal Services:

Requests from potential vendors or contractors for copies of previous RLBs, past vendor proposals, score sheets or contracts for this or similar past projects, are Public Information Requests (PRRs), and are not clarification questions regarding the present RLB. PRRs, submitted in accordance with directions provided in this Section XV, Communication Prohibitions, will be honored. The posted time frames for ODJFS responses to Internet questions for RLB clarification do not apply to PRRs.

* Important Note: Amendments to the RLB or to any documents related to it will be accessible to interested vendors through the original ODJFS website established for the RLB. All interested vendors

are strongly encouraged to refer to the appropriate website regularly for amendments or other announcements. Failure on the part of ODJFS to notify any vendors of any possible changes or announcements related to this RLB does not absolve the vendors from their responsibility to look for updated information through the web page.

Proposals submitted by a vendor who attempts any communications prohibited by this Section may be disqualified by ODJFS from consideration for this project. ODJFS is not responsible for the accuracy of any information regarding this RLB that was obtained or gathered through a source other than the Question and Answer process described in this RLB.

XVI. Protests

Any potential, or actual, vendor objecting to the award of a contract or a vendor selection resulting from the issuance of this solicitation may file a protest of the award or selection, or of any other matter relating to the process of soliciting the proposals. Such a protest must comply with the following guidelines:

1. A protest may be filed by a prospective or actual bidder objecting to the award of a contract resulting from this solicitation. The protest shall be in writing and shall contain the following information:
 - a. The name, address, and telephone number of the protestor;
 - b. The name and number of the solicitation being protested;
 - c. A detailed statement of the legal and factual grounds for the protest, including copies of any relevant documents;
 - d. A request for a ruling by ODJFS;
 - e. A statement as to the form of relief requested from ODJFS; and
 - f. Any other information the protestor believes to be essential to the determination of the factual and legal questions at issue in the written protest.
2. A timely protest shall be considered by ODJFS, if it is received by ODJFS' Office of Legal Services, within the following periods:
 - a. A protest based on alleged improprieties in the issuance of the RLB or any other event preceding the closing date for receipt of proposals which are apparent or should be apparent prior to the closing date for receipt of proposals shall be filed no later than 3:00 p.m. of the closing date for receipt of proposals as specified in Section II., Time and Date of Submission.
 - b. If the protest relates to the announced intent to award the contract, the protest shall be filed no later than 3:00 p.m. of the **seventh (7th) calendar** day after the issuance of formal letters sent to all responding vendors regarding the State's intent to award a contract for the work. The date on these ODJFS letters to responding vendors is the date used to determine if a protest regarding the intent to award is submitted by the end of the protest period.
3. An untimely protest may be considered by ODJFS if ODJFS determines that the protest raises issues significant to the department's procurement system. An untimely protest is

- one received by ODJFS' Office of Legal Services after the time periods set forth in Item #2 of this section.
4. All protests must be filed at the following location:

**Chief Legal Counsel, Office of Legal Services
Ohio Department of Job and Family Services
30 East Broad Street, 31st Floor
Columbus, Ohio 43215-3414**
 5. When a timely protest is filed, a contract award shall not proceed until a decision on the protest is issued or the matter is otherwise resolved, unless the Director of ODJFS determines that a delay will severely disadvantage the Department. The vendor(s) who would have been awarded the contract shall be notified of the receipt of the protest.
 6. ODJFS' Office of Legal Services shall issue written decisions on all timely protests and shall notify any vendor who filed an untimely protest as to whether or not the protest will be considered.

TED STRICKLAND
GOVERNOR
STATE OF OHIO

Executive Order 2010-09S

Banning the Expenditure of Public Funds for Offshore Services

1. **Ohio's Economic Vitality Necessitates Constant Vigilance in State Job Creation Efforts.** State officials and employees must at all times remain passionately focused on initiatives that will create and retain jobs in the United States in general and in Ohio, in particular, and must do so especially during Ohio's continuing efforts to recover from the recent global recession.
2. **No Public Funds Should be Spent on Services Provided Offshore.** Allowing public funds to pay for offshore services undermines economic development objectives and any such offshore services carry unacceptable quality and security risks.
 - a. **The Purchase of Offshore Services with Public Funds Undermines Economic Development and Other Job Creation and Retention Objectives.** The expenditure of public funds for services provided offshore deprives Ohioans and other Americans critical employment opportunities. It also undermines efforts to attract businesses to Ohio and retain them in Ohio, initiatives in which the State has invested heavily.
 - b. **The Purchase of Offshore Services Has Unacceptable Business Consequences.** The use of offshore service providers could pose unacceptable data security, and thus privacy and identity theft risks. There are pervasive service delivery problems with offshore providers, including dissatisfaction with the quality of their services and with the fact that services are being provided offshore. It is difficult and expensive to detect illegal activity and contract violations and to pursue legal recourse for poor performance or data security

violations. The State's use of offshore service providers ill-serves the people of Ohio who are the primary consumers of the services provided by the State.

3. **Ohio's Policy Has Been – and Must Continue To Be – That Public Funds Should Not Be Spent on Services Provided Offshore.** Throughout my Administration, procurement procedures have been in place that restrict the purchase of offshore services. Despite these requirements, federal stimulus funds were recently used to purchase services from a domestic company which ultimately provided some of those services offshore. This incident was unacceptable and has caused me, through this Order, to redouble my commitment to ensure that public funds are not expended for offshore services.
4. **Additional Steps Will Ensure that Public Funds Are Not Spent on Services Provided Offshore.** In order to ensure that the State of Ohio makes no expenditures for services provided offshore, I hereby order the following:
 - a. No Cabinet Agency, Board or Commission (Executive Agency) shall enter into any contract which uses any funds within its control to purchase services which will be provided outside the United States. This Order applies to all funds in the custody of an Executive Agency, be they from state, federal, philanthropic or private sources. It applies to all purchases of service made directly by an Executive Agency and services provided by sub-contractors of those providing services purchased by an Executive Agency.
 - b. This Executive Order will be personally provided, by the Director, Chair or other chief executive official of each Executive Agency, to the Chief Procurement Officer or other individual at that entity responsible for contracts for services.
 - c. The Department of Administrative Services, through Ohio's Chief Procurement Officer (OCPO), shall have in place, by August 31, 2010, procedures to ensure all of the following:
 - i. All agency procurement officers, or the person with equivalent duties at each Executive Agency (APOs), have standard language in all Executive Agency contracts which:
 - (a) Reflect this Order's prohibition on the purchase of offshore services.
 - (b) Require service providers or prospective service providers to:

- (i) Affirm that they understand and will abide by the requirements of this Order.
 - (ii) Disclose the location(s) where all services will be performed by any contractor or subcontractor.
 - (iii) Disclose the locations(s) where any state data associated with any of the services they are providing, or seek to provide, will be accessed, tested, maintained, backed-up or stored.
 - (iv) Disclose any shift in the location of any services being provided by the contractor or any subcontractor.
 - (v) Disclose the principal location of business for the contractor and all subcontractors who are supplying services to the state under the proposed contract.
 - ii. All APOs are ensuring that all quotations, statements of work, and other such proposals for services affirm this Order's prohibition on the purchase of offshore services and include all of this Order's disclosure requirements.
 - (a) Any such proposal for services lacking the affirmation and disclosure requirements of this Order will not be considered.
 - (b) Any such proposal where the performance of services is proposed to be provided at a location outside the United States by the contractor or any sub-contractor, will not be considered.
 - iii. All procurement manuals, directives, policies, and procedures reflect the requirements of this Order.
 - iv. All APOs have adequate training which addresses the terms of this Order.
5. **Exceptions.** Nothing in this Order is intended to contradict any state or federal law. In addition, this Order does not apply to:
- a. Services necessary to support the efforts of the Department of Development Global Markets Division to attract jobs and business to the State of Ohio, including incidental services for the support of trade missions, payment of international staff, and services necessary for the operation of international offices.
 - b. Academic, instructional, educational, research or other services necessary to support the international missions of Ohio's public colleges and universities.

6. I signed this Executive Order on August 6, 2010 in Columbus, Ohio and it will not expire unless rescinded.

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on Line 1 to avoid backup withholding. For individuals, this is your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 3. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN* on page 3.

Note. If the account is in more than one name, see the chart on page 4 for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and
3. I am a U.S. person (including a U.S. resident alien).

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the Certification, but you must provide your correct TIN. (See the instructions on page 4.)

Purpose of Form

A person who is required to file an information return with the IRS, must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

U.S. person. Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

For federal tax purposes you are considered a person if you are:

- An individual who is a citizen or resident of the United States,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States, or

- Any estate (other than a foreign estate) or trust. See Regulations sections 301.7701-6(a) and 7(a) for additional information.

Foreign person. If you are a foreign person, do not use Form W-9. Instead, use the appropriate Form W-8 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien.

Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the recipient has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.

4. The type and amount of income that qualifies for the exemption from tax.

5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity not subject to backup withholding, give the requester the appropriate completed Form W-8.

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 28% of such payments (after December 31, 2002). This is called "backup withholding." Payments that may be subject to backup withholding include interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester, or
2. You do not certify your TIN when required (see the Part II instructions on page 4 for details), or
3. The IRS tells the requester that you furnished an incorrect TIN, or
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See the instructions below and the separate Instructions for the Requester of Form W-9.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Name

If you are an individual, you must generally enter the name shown on your social security card. However, if you have changed your last name, for instance, due to marriage without informing the Social Security Administration of the name change, enter your first name, the last name shown on your social security card, and your new last name.

If the account is in joint names, list first, and then circle, the name of the person or entity whose number you entered in Part I of the form.

Sole proprietor. Enter your individual name as shown on your social security card on the "Name" line. You may enter your business, trade, or "doing business as (DBA)" name on the "Business name" line.

Limited liability company (LLC). If you are a single-member LLC (including a foreign LLC with a domestic owner) that is disregarded as an entity separate from its owner under Treasury regulations section 301.7701-3, enter the owner's name on the "Name" line. Enter the LLC's name on the "Business name" line. Check the appropriate box for your filing status (sole proprietor, corporation, etc.), then check the box for "Other" and enter "LLC" in the space provided.

Other entities. Enter your business name as shown on required Federal tax documents on the "Name" line. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on the "Business name" line.

Note. You are requested to check the appropriate box for your status (individual/sole proprietor, corporation, etc.).

Exempt From Backup Withholding

If you are exempt, enter your name as described above and check the appropriate box for your status, then check the "Exempt from backup withholding" box in the line following the business name, sign and date the form.

Generally, individuals (including sole proprietors) are not exempt from backup withholding. Corporations are exempt from backup withholding for certain payments, such as interest and dividends.

Note. If you are exempt from backup withholding, you should still complete this form to avoid possible erroneous backup withholding.

Exempt payees. Backup withholding is not required on any payments made to the following payees:

1. An organization exempt from tax under section 501(a), any IRA, or a custodial account under section 403(b)(7) if the account satisfies the requirements of section 401(f)(2),
2. The United States or any of its agencies or instrumentalities,
3. A state, the District of Columbia, a possession of the United States, or any of their political subdivisions or instrumentalities,
4. A foreign government or any of its political subdivisions, agencies, or instrumentalities, or

Other payees that may be exempt from backup withholding include:

6. A corporation,

7. A foreign central bank of issue,
8. A dealer in securities or commodities required to register in the United States, the District of Columbia, or a possession of the United States,
9. A futures commission merchant registered with the Commodity Futures Trading Commission,
10. A real estate investment trust,
11. An entity registered at all times during the tax year under the Investment Company Act of 1940,
12. A common trust fund operated by a bank under section 584(a),
13. A financial institution,
14. A middleman known in the investment community as a nominee or custodian, or
15. A trust exempt from tax under section 664 or described in section 4947.

The chart below shows types of payments that may be exempt from backup withholding. The chart applies to the exempt recipients listed above, 1 through 15.

IF the payment is for . . .	THEN the payment is exempt for . . .
Interest and dividend payments	All exempt recipients except for 9
Broker transactions	Exempt recipients 1 through 13. Also, a person registered under the Investment Advisers Act of 1940 who regularly acts as a broker
Barter exchange transactions and patronage dividends	Exempt recipients 1 through 5
Payments over \$600 required to be reported and direct sales over \$5,000 ¹	Generally, exempt recipients 1 through 7 ²

¹See Form 1099-MISC, Miscellaneous Income, and its instructions.

²However, the following payments made to a corporation (including gross proceeds paid to an attorney under section 6045(f), even if the attorney is a corporation) and reportable on Form 1099-MISC are not exempt from backup withholding: medical and health care payments, attorneys' fees; and payments for services paid by a Federal executive agency.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-owner LLC that is disregarded as an entity separate from its owner (see *Limited liability company (LLC)* on page 2), enter your SSN (or EIN, if you have one). If the LLC is a corporation, partnership, etc., enter the entity's EIN.

Note. See the chart on page 4 for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local Social Security Administration office or get this form online at www.socialsecurity.gov/online/ss-5.pdf. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/businesses/ and clicking on Employer ID Numbers under Related Topics. You can get Forms W-7 and SS-4 from the IRS by visiting www.irs.gov or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note. Writing "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded domestic entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if items 1, 4, and 5 below indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). Exempt recipients, see *Exempt From Backup Withholding* on page 2.

Signature requirements. Complete the certification as indicated in 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Privacy Act Notice

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons who must file information returns with the IRS to report interest, dividends, and certain other income paid to you, mortgage interest you paid, the acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA, or Archer MSA or HSA. The IRS uses the numbers for identification purposes and to help verify the accuracy of your tax return. The IRS may also provide this information to the Department of Justice for civil and criminal litigation, and to cities, states, and the District of Columbia to carry out their tax laws. We may also disclose this information to other countries under a tax treaty, to federal and state agencies to enforce federal nontax criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism.

You must provide your TIN whether or not you are required to file a tax return. Payers must generally withhold 28% of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to a payer. Certain penalties may also apply.

ARTICLE II: TIME OF PERFORMANCE

- A. This Contract is in effect from the date of issuance of an approved State of Ohio purchase order (see ARTICLE II, Section B, *infra*) or _____, 200_, whichever is later, through _____, 200_, unless this Contract is suspended or terminated pursuant to ARTICLE V prior to the termination date. **This Contract may be renewed through _____, 20_, at the sole discretion of ODJFS and provided that CONTRACTOR has completed the Deliverables to the satisfaction of ODJFS and that there is an appropriation of funds by the Ohio General Assembly. CONTRACTOR will not obligate resources in anticipation of a renewal unless and until ODJFS notifies CONTRACTOR that the Contract is to be renewed.**
- B. It is expressly understood by both ODJFS and CONTRACTOR that this Contract will not be valid and enforceable until the Director of the Office of Budget and Management first certifies, pursuant to section 126.07 of the Ohio Revised Code (ORC), that there is a balance in the appropriation not already allocated to pay existing obligations. CONTRACTOR expressly agrees to neither perform work nor submit an invoice for payment for work performed under this Contract for any time period prior to receiving notice from the ODJFS Contract Manager that the requirements of ORC 126.07 have been met. CONTRACTOR further agrees to neither perform work nor submit an invoice for payment for work performed under this Contract for any time period after the effective end date for this Contract found in ARTICLE II, Section A above.

ARTICLE III: COMPENSATION

- A. In consideration of the Deliverables provided pursuant to ARTICLE I of this Contract, ODJFS agrees to pay compensation up to _____ and 00/100 Dollars (\$0.00) for State Fiscal Year ("SFY") 200_ and _____ and 00/100 Dollars (\$0.00) for SFY 200_. It is expressly understood by ODJFS and CONTRACTOR that the terms of this Contract do not allow total compensation in excess of _____ and 00/100 Dollars (\$0.00) for the Contract period as set forth in ARTICLE II. CONTRACTOR hereby waives the interest provisions of ORC 126.30.

- B. Compensation will be paid on a _____ basis pursuant to CONTRACTOR's Cost Proposal, which is hereby incorporated by reference, payment is conditioned on the satisfactory completion of Deliverables listed in CONTRACTOR's Proposal and ARTICLE I of this Contract.
- C. CONTRACTOR will render detailed invoices in triplicate on a _____ basis pursuant to Section B of this ARTICLE III to the Ohio Department of Job and Family Services, Bureau of Accounts Payable, at 30 East Broad Street, 38th Floor, Columbus, Ohio 43215-3414. All invoices must contain the following information:
1. CONTRACTOR's name (as it appears on the Contract and purchase order);
 2. CONTRACTOR's mailing address and, if applicable, a remit address;
 3. CONTRACTOR's invoice number and the date of the invoice;
 4. Amount and purpose of billing that includes all detail required per this ARTICLE III, Section C and a description of services rendered, and the hourly rates with the numbers of hours each employee worked during the month;
 5. Contract number and date;
 6. Purchase order number; and
 7. Federal Tax identification number.
- D. CONTRACTOR and ODJFS understand that the terms of this Contract, when combined with any other payments made to or open encumbrances with CONTRACTOR during the same State Biennium, cannot establish compensation in excess of Fifty Thousand and 00/100 Dollars (\$50,000.00) aggregate without prior approval from the State Controlling Board in accordance with ORC 127.16.
- E. Subject to the provisions of ORC 126.07 and ORC 131.33, which will at all times govern this Contract, ODJFS represents that:
1. It has adequate funds to meet its obligations under this Contract;
 2. It intends to maintain this Contract for the full Contract period set forth in ARTICLE II, and has no reason to believe that it will not have sufficient funds to enable it to make all payments due hereunder during the Contract period; and
 3. It will use its best effort to obtain the appropriation of any necessary funds during the Contract period.
- However, CONTRACTOR understands that availability of funds is contingent on appropriations made by the Ohio General Assembly. If the Ohio General Assembly fails at any time to continue funding ODJFS for the payments due hereunder, this Contract is terminated as of the date funding expires without further obligation of the State of Ohio.
- F. CONTRACTOR further understands that compensation under this Contract may be based in whole or in part upon funding sources external to the State of Ohio (e.g., federal funding). Should the external source of the funding be terminated or reduced for reasons beyond the control of ODJFS or the State of Ohio, this Contract will terminate as of the date the funding expires without further obligation of ODJFS or the State of Ohio.
- G. CONTRACTOR expressly understands that ODJFS will not compensate CONTRACTOR for any work performed prior to notification from the ODJFS Contract Manager that the requirements of ORC 126.07 have been met as set forth in ARTICLE II, Section B of this Contract, and that ODJFS will not compensate CONTRACTOR for any work performed after the termination date set forth in ARTICLE II, Section A of this Contract, or in the event this Contract is terminated pursuant to ARTICLE V.
- H. ODJFS does not have the ability to compensate CONTRACTOR for work performed under the Contract after the State of Ohio purchase order for the Contract has been closed. The final invoice for compensation

of work performed under this Contract must be received by ODJFS, per this ARTICLE III, no later than ninety (90) days after the termination date of this Contract. Failure of CONTRACTOR to submit the final invoice by this deadline will be deemed a forfeiture by CONTRACTOR of all remaining compensation due hereunder.

ARTICLE IV: NOTICES

- A. ODJFS and CONTRACTOR agree that, pursuant to ARTICLE I that communication regarding the Deliverable(s), scope of work, invoice or billing questions, and other routine instructions will be between CONTRACTOR and the identified ODJFS Contract Manager.
- B. Notices sent by CONTRACTOR to ODJFS concerning changes to CONTRACTOR's principal place of business, billing address, legal name, federal tax identification number, mergers or acquisitions, corporate form, excusable delay, termination, bankruptcy, assignment, any notice pursuant to ARTICLE XI, and/or any other formal notice regarding this Contract will be sent to the ODJFS Deputy Director of Contracts and Acquisitions at the ODJFS Office of Contracts and Acquisitions, 30 East Broad Street, 31st Floor, Columbus, Ohio 43215-3414.
- C. Notices sent by ODJFS to CONTRACTOR concerning termination, suspension, option to renew, breach, default, or other formal notices required by this Contract, will be sent to the person who has signed this Contract on behalf of CONTRACTOR at the address listed on the final signature page.
- D. All notices in accordance with this ARTICLE IV will be in writing and will be deemed given when received. All notices must be sent using a delivery method that documents actual delivery to the appropriate address herein indicated (e.g., certified mail).

ARTICLE V: SUSPENSION AND TERMINATION; BREACH AND DEFAULT

- A. Notwithstanding other provisions in this ARTICLE V, either party may terminate this Contract at will by giving ninety (90) days written notice to the other party. Upon thirty (30) days written notice to CONTRACTOR, ODJFS may suspend this Contract at ODJFS's sole discretion.
- B. Notwithstanding this ARTICLE V, Sections A or C, ODJFS may suspend or terminate this Contract immediately upon delivery of written notice to CONTRACTOR if ODJFS has discovered any illegal conduct on the part of CONTRACTOR, any violation of ARTICLE XI of the Contract, loss of funding as set forth in ARTICLE III, Sections E or F, or the filing of a petition in bankruptcy (or similar proceeding) by or against CONTRACTOR.
- C. Except as provided in Sections A and B of this ARTICLE V, CONTRACTOR will have thirty (30) calendar days within which to cure any breach that is curable after receipt of written notice from ODJFS that CONTRACTOR is in breach of any of its obligations under this Contract. If CONTRACTOR fails to cure the breach within the thirty (30) calendar days after written notice or if the breach is not curable, ODJFS may immediately suspend or terminate this Contract. ODJFS may also suspend or terminate this Contract breaches are persistent, regardless of whether they are cured within thirty (30) calendar days. For purposes of this Section C, "persistent" means that ODJFS has notified CONTRACTOR three (3) times in writing of CONTRACTOR's failure to meet any of its contractual obligations. The three (3) notices do not have to relate to the same obligation or type of failure. After the third notice, ODJFS may suspend or terminate this Contract without a cure period if CONTRACTOR again fails to meet any contractual obligation. At the sole discretion of ODJFS, certain instances of breach may require a shorter cure period than the thirty (30) calendar days generally applicable in this Section C. In such instances, ODJFS will include in its notice of breach the shorter cure period deemed appropriate.
- D. CONTRACTOR, upon receipt of notice of suspension or termination, agrees to cease work on the suspended or terminated activities under this Contract, to suspend or terminate all subcontracts relating to such suspended or terminated activities, to take all necessary and/or appropriate steps to limit disbursements and minimize cost, and to furnish a report as of the date notice of suspension or termination was received that describes the status of all work under this Contract that includes, without limitation, the Deliverables completed, the outcomes of the completed Deliverables, and any other information that ODJFS may require. Suspension, termination, or expiration of this Contract will not limit CONTRACTOR'S

continuing obligations with respect to Deliverables paid for by ODJFS prior to the suspension or termination nor will it limit ODJFS's rights in those Deliverables.

- E. In the event of suspension or termination under this ARTICLE V, CONTRACTOR will be entitled to compensation, upon submission of a proper invoice per ARTICLE III, for the work performed prior to CONTRACTOR's receipt of notice of suspension or termination. Compensation will be calculated by ODJFS based on the compensation structure set forth in ARTICLE III, less any funds previously paid by or on behalf of ODJFS, or in the case of services for which CONTRACTOR charges a flat rate, based on a reasonable percentage of the total services performed as determined by ODJFS, less any funds previously paid by or on behalf of ODJFS.
- F. If ODJFS terminates this Contract for any reason provided in this ARTICLE V, except for termination at will pursuant to Section A or termination for loss of funding pursuant to Section B, ODJFS will be entitled to utilize another contractor to complete the Deliverables described in ARTICLE I of this Contract on any commercially reasonable terms as ODJFS and the covering contractor may agree. In this event, CONTRACTOR will be liable to ODJFS for all costs related to covering the project to the extent that such costs, when combined with payments already made to CONTRACTOR prior to termination, exceed the costs that ODJFS would have incurred under this Contract. CONTRACTOR's liability under this Section F is in addition to any other remedies available to ODJFS pursuant to this Contract.
- G. Upon breach or default of any of the provisions, obligations, or duties embodied in this Contract, ODJFS may exercise any administrative, contractual, equitable, or legal remedies available, without limitation. The waiver of any occurrence of breach or default is not a waiver of subsequent occurrences, and ODJFS retains the right to exercise all remedies hereinabove mentioned.
- H. If ODJFS or CONTRACTOR fails to perform an obligation or obligations under this Contract and the failures is thereafter waived by the other party, ODJFS and CONTRACTOR understand that the waiver is limited to that particular occurrence of failure and will not be deemed a waiver of subsequent failures that may occur. Waiver by ODJFS is not effective unless it is in writing signed by the ODJFS Director.

ARTICLE VI: EQUAL EMPLOYMENT OPPORTUNITY

- A. In carrying out this Contract, CONTRACTOR agrees not to discriminate against any employee or applicant for employment because of race, religion, national origin, ancestry, color, gender, gender identity, sexual orientation, age, disability, or veteran status. CONTRACTOR will ensure that applicants are hired and that employees are treated during employment in matters of employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training including apprenticeship, without regard to their race, religion, national origin, ancestry, color, gender, gender identity, sexual orientation, age, disability, or veteran status. CONTRACTOR certifies current and ongoing compliance with the Executive Order 11246 concerning Equal Employment Opportunity, as amended by Executive Order 11375, and as supplemented by Department of Labor regulations found at 41 Code of Federal Regulations (CFR) 60.
- B. CONTRACTOR agrees to post in conspicuous places, available to all employees and applicants for employment, notices stating that CONTRACTOR complies with all applicable federal and state non-discrimination laws. CONTRACTOR will incorporate the foregoing requirements of this ARTICLE VI in all solicitations or advertisements for employees placed by or on behalf of CONTRACTOR and in all of its contracts for any of the work prescribed in this Contract. CONTRACTOR will also require all of its subcontractors to incorporate such requirements in all subcontracts for any part of the work under this Contract.
- C. CONTRACTOR, its officers, employees, members, and subcontractors hereby certify current and ongoing compliance with the statutes and regulations pertaining to The Americans with Disabilities Act of 1990 and Section 504 of the Rehabilitation Act of 1973.

ARTICLE VII: RECORDS, DOCUMENTS AND INFORMATION

CONTRACTOR agrees that all records, documents, writings, or other information, whatever their form, produced by CONTRACTOR under this Contract, and all records, documents, writings, or other information used by CONTRACTOR in the performance of this Contract are treated according to the following terms:

- A. All ODJFS information that, under the laws of the State of Ohio or federal law, is classified as public or as private will be treated as such by CONTRACTOR. In the event there is a question as to whether information is public or private, ODJFS will make the final determination.
- B. All CONTRACTOR information that is proprietary will be held strictly confidential by ODJFS. Proprietary information is information which, if made public, would put CONTRACTOR at a disadvantage in CONTRACTOR's marketplace and trade. CONTRACTOR is responsible for notifying ODJFS of the proprietary nature of the information prior to its release to ODJFS. Failure to provide prior notification is deemed a waiver of the proprietary nature of the information, and a waiver of CONTRACTOR's right to proceed against ODJFS for violation of any proprietary or trade secret laws. CONTRACTOR's failure to provide prior notification will also be deemed a waiver of trade secret protection in that CONTRACTOR will have failed to make reasonable efforts to maintain the information's secrecy pursuant to ORC 1333.61(D)(2). ODJFS reserves the right to require reasonable evidence of CONTRACTOR's assertion of the proprietary nature of any information to be provided and will make the final determination as to whether any or all of the information identified by CONTRACTOR is proprietary or a trade secret.
- C. All records relating to costs, work performed, and supporting documentation for invoices submitted to ODJFS by CONTRACTOR with copies of all Deliverables submitted to ODJFS pursuant to this Contract will be retained and made available by CONTRACTOR for audit by the State of Ohio (including but not limited to ODJFS, the Auditor of the State of Ohio, the Inspector General of Ohio, or any duly authorized law enforcement officials) and by agencies of the United States government for a minimum of three (3) years after payment for work performed under this Contract. If an audit, litigation, or other action related to this Contract is initiated during this time period, CONTRACTOR will retain the records until the action is concluded and all issues have been resolved. If appropriate, CONTRACTOR must comply with the requirements of the federal OMB Circulars A-87, A-110, A-122, or A-133. CONTRACTOR acknowledges, in accordance with ORC 149.31, that financial records related to the performance of services under this Contract are presumptively deemed public records.
- D. CONTRACTOR agrees not to use any information, systems, or records made available to it for any purpose other than to fulfill the contractual duties specified herein. CONTRACTOR agrees to be bound by the same standards of confidentiality that apply to the employees of ODJFS and the State of Ohio. The terms of this ARTICLE VII will be included in any subcontracts executed by CONTRACTOR for work under this Contract. CONTRACTOR agrees that any data made available to CONTRACTOR by ODJFS will be returned to ODJFS no later than ninety (90) days following the termination of this Contract, and CONTRACTOR certifies that it will not retain copies of source data, or any product of source data. CONTRACTOR hereby agrees to current and ongoing compliance with 42 United States Code (USC) 1320d through 1320d-8 and 45 CFR 164.502(e) and 164.504(e), regarding disclosure of Protected Health Information under the Health Insurance Portability and Accountability Act of 1996 ("HIPAA").

ARTICLE VIII: INDEPENDENT CONTRACTOR

CONTRACTOR agrees that no agency, employment, joint venture, or partnership has been or will be created between the parties hereto pursuant to the terms and conditions of this Contract. CONTRACTOR also agrees that, as an independent contractor, CONTRACTOR assumes all responsibility for any federal, state, municipal, or other tax liabilities along with workers compensation, unemployment compensation, and insurance premiums that may accrue as a result of compensation received for services or deliverables rendered hereunder. CONTRACTOR agrees that it is an independent contractor for all purposes including, but not limited to, the application of the Fair Labor Standards Act, the Social Security Act, the Federal Unemployment Tax Act, the Federal Insurance Contribution Act, provisions of the Internal Revenue Code, Ohio tax law, Workers Compensation law, and Unemployment Insurance law.

ARTICLE IX: LIMITATION OF LIABILITY; CONTRACTOR DUTIES

- A. CONTRACTOR agrees to hold ODJFS, any official or employee of ODJFS acting in his or her official capacity, and the State of Ohio harmless from any and all claims for personal injury, property damage, and/or infringement resulting from activities in furtherance of the work hereunder.
- B. ODJFS's liability, whether in contract or in tort, may not exceed the lesser of the total amount of compensation payable to CONTRACTOR under ARTICLE III or the amount of direct damages incurred by CONTRACTOR. CONTRACTOR's sole and exclusive remedy for ODJFS's failure to perform under this Contract is an action in the Ohio Court of Claims, pursuant to ORC Chapter 2743, and subject to the

limitations set forth in this ARTICLE IX. IN NO EVENT IS ODJFS LIABLE FOR ANY INDIRECT OR CONSEQUENTIAL DAMAGES, INCLUDING LOSS OF PROFITS, EVEN IF ODJFS KNEW OR SHOULD HAVE KNOWN OF THE POSSIBILITY OF SUCH DAMAGES.

- C. Subject to ORC 109.02 CONTRACTOR agrees to defend any suit or proceeding brought against ODJFS, any official or employee of ODJFS acting in his or her official capacity, or the State of Ohio due to any alleged infringement of patent or copyright arising out of the performance of this Contract, including all work, services, materials, reports, studies, and computer programs provided by CONTRACTOR. ODJFS will provide:
1. Prompt notification in writing of such suit or proceeding;
 2. Full right, authorization, and opportunity to conduct the defense thereof; and
 3. Full disclosure of information along with all reasonable cooperation for the defense of the suit.

ODJFS may participate in the defense of any such action. CONTRACTOR agrees to pay all damages and costs awarded against ODJFS, any official or employee of ODJFS in his or her official capacity, or the State of Ohio as a result of any suit or proceeding referred to in this Section C. If any information and/or assistance is furnished by ODJFS at CONTRACTOR's written request, it is at CONTRACTOR's expense. If any of the materials, reports, or studies provided by CONTRACTOR are found to be infringing items and the use or publication thereof is enjoined, CONTRACTOR agrees to, at its own expense and at its option, either procure the right to publish or continue use of such infringing materials, reports, or studies; replace them with non-infringing items of equivalent value; or modify them so that they are no longer infringing. The obligations of CONTRACTOR under this Section survive the termination of this Contract, without limitation.

- D. CONTRACTOR will not permit any lien or claim to be filed or prosecuted against the State of Ohio or ODJFS on account of any labor, services, or materials furnished to CONTRACTOR by any entity in connection with this Contract. Should any such claims become due, ODJFS may, but is not obligated to, pay the entity that furnished the labor or services and charge the amount of the payment against funds due or to become due to CONTRACTOR pursuant to this Contract.
- E. Neither ODJFS nor CONTRACTOR will be liable for any delay in its performance that arises from causes beyond its control and without its negligence or fault. The delaying party will notify the other promptly of any material delay in performance and will specify in writing the proposed revised performance date as soon as practicable after notice of delay. The delaying party must also describe the cause of the delay and its proposal to remove or mitigate the delay. Notices will be sent pursuant to ARTICLE IV. In the event of excusable delay, the date of performance or delivery of products may be extended by amendment, if applicable, for a period of time equal to that lost due to the excusable delay. Reliance on a claim of excusable delay may only be asserted if the delaying party has taken commercially reasonable steps to mitigate or avoid the delay. Items that are controllable by CONTRACTOR's subcontractor(s) will be considered controllable by CONTRACTOR, with the exception of third-party manufacturers supplying commercial items and over whom CONTRACTOR has no legal control. ODJFS will make the final determination of whether an instance of delay is excusable.

ARTICLE X: AMENDMENT AND ASSIGNMENT

- A. This writing constitutes the entire agreement between the parties with respect to all matters herein. Only a writing signed by both parties may amend this Contract; however, both parties agree that any amendment(s) to laws or regulations cited herein will result in the correlative modification of this Contract, without the need to execute written amendments. The impact of any applicable law, statute, or regulation not cited herein and enacted after the date of execution of this Contract will be incorporated into this Contract by written amendment signed by both parties and will be effective as of the date of enactment of the law, statute, or regulation. Any other written amendment to this Contract is prospective in nature.
- B. CONTRACTOR agrees that it will neither assign nor transfer any obligation or interest (including subcontracts) in this Contract (whether by assignment or novation) without the prior written approval of ODJFS and subject to any conditions and provisions ODJFS deems necessary. Any ODJFS approval of an assignment or transfer will not provide for an obligation by ODJFS that exceeds the total amount of compensation listed in ARTICLE III of this Contract.

ARTICLE XI - SPECIAL CERTIFICATIONS MADE BY CONTRACTOR

By executing this Contract, CONTRACTOR certifies recurrent and continued compliance with each condition listed in this ARTICLE XI. CONTRACTOR's certification of compliance with each of these conditions is considered material representations of fact upon which ODJFS relied upon in entering into this Contract.

- A. If at any time CONTRACTOR is not in compliance with the conditions certified and affirmed in this ARTICLE XI, Section A, ODJFS will consider the contract *void ab initio* and will deliver written notice to CONTRACTOR. Any funds paid by the State of Ohio for work performed before CONTRACTOR was notified that the Contract was considered *void ab initio* will be immediately repaid or the State of Ohio may commence an action for recovery of the funds paid.

Any person who acquires an incompatible, compromising, or conflicting personal or business interest will immediately disclose his or her interest to ODJFS in writing. Thereafter, he or she will not participate in any action affecting the work under this Contract, unless ODJFS will determine that, in light of the personal interest disclosed, his or her participation in any such action would not be contrary to the public interest. The written disclosure of such interest will be sent to the Chief Legal Counsel of the Ohio Department of Job and Family Services at 30 East Broad Street, 31st Floor, Columbus, Ohio 43215-3414.
 2. CONTRACTOR agrees to refrain from promising or giving to any ODJFS employee anything of value that is of such a character as to manifest a substantial and improper influence upon the

employee with respect to his or her duties. CONTRACTOR also agrees that it will not solicit an ODJFS employee to violate any ODJFS rule or policy relating to the conduct of contracting parties or to violate ORC sections 102.03, 102.04, 2921.42. CONTRACTOR affirms that it, its officers, members and employees are in compliance with ORC 102.04 and, that if CONTRACTOR is required to file a statement pursuant to ORC 102.04(D)(2), the statement has been filed with the ODJFS Chief Legal Counsel in addition to any other required filings.

3. CONTRACTOR certifies that by executing this Contract, it has reviewed, knows and understands the State of Ohio's ethics and conflict of interest laws, which includes the Governor's Executive Order 2007-01S pertaining to ethics. ORC 3517.13 (I) and (J) do not apply to professional associations organized under ORC Chapter 1785.
 5. No federal funds paid to CONTRACTOR through this or any other agreement with ODJFS will be or have been used to lobby Congress or any federal agency in connection with a particular contract, grant, cooperative agreement, or loan. CONTRACTOR further certifies compliance with all federal lobbying restrictions, including 13 USC 1352, 2 USC 1601, 29 CFR 93, and 45 CFR 93. If this Contract exceeds One Hundred Thousand and 00/100 Dollars (\$100,000.00), CONTRACTOR has executed the Disclosure of Lobbying Activities, Standard Form LLL, if required by federal regulation.

ARTICLE XIII: CONSTRUCTION

This Contract will be governed, construed, and enforced in accordance with the laws of the State of Ohio. Should any portion of this Contract be unenforceable by operation of statute or by administrative or judicial decision, the operation of the balance of this Contract is not affected thereby; provided, however, the absence of the illegal provision does not render the performance of the remainder of the Contract impossible. Should the removal of such an unenforceable provision render the intended performance under this Contract difficult or nonsensical, but not impossible, the parties will negotiate in good faith replacement provision(s) in keeping with the objectives of the Contract and the budgetary and statutory constraints of ODJFS.

ARTICLE XIV: INCORPORATION BY REFERENCE

The Request for Proposal document and the Proposal (*i.e.*, the technical and cost proposals) of CONTRACTOR are hereby incorporated by reference. In the event of any inconsistency or ambiguity between the provisions of the RFP, the Proposal or this Contract, the provisions of this Contract will be determinative of the obligations of the parties. In the event that the Contract is silent with respect to any inconsistency or ambiguity between the RFP and the Proposal, the RFP will be determinative in the obligations of the parties. In the event that a dispute arises which is not addressed in any of the aforementioned documents, the parties hereby agree to make every reasonable effort to resolve the dispute in keeping with the objectives of the Contract and the budgetary and statutory constraints of ODJFS.

PHASE II: Criteria for Scoring of Technical Proposal

Qualifying technical proposals will be collectively scored by a Proposal Review Team (PRT) appointed by ODJFS, Office of Ohio Health Plans. For each of the evaluation criteria given in the following score sheet, reviewers will collectively judge whether the technical proposal exceeds, meets, partially meets or does not meet the requirements expressed in the RFP, and assign the appropriate point value, as follows:

0	6	8	10
Does Not Meet Requirement	Partially Meets Requirement	Meets Requirement	Exceeds Requirement

Technical Performance Scoring Definitions:

“Does Not Meet Requirement”- A particular RFP requirement was not addressed in the vendor’s proposal, **Score: 0**

“Partially Meets Requirement”-Vendor proposal demonstrates some attempt at meeting a particular RFP requirement, but that attempt falls below acceptable level, **Score: 6**

“Meets Requirement”-Vendor proposal fulfills a particular RFP requirement in all material respects, potentially with only minor, non-substantial deviation, **Score: 8**

“Exceeds Requirement”-Vendor proposal fulfills a particular RFP requirement in all material respects, and offers some additional level of quality in excess of ODJFS expectations, **Score: 10**

A technical proposal's total PHASE II score will be the sum of the point value for all the evaluation criteria. The review team will collectively score each individual qualifying proposal. Technical proposals which do not meet or exceed a total score of at least **258** points (a score which represents that the selected vendor has the capability to successfully perform the project/program services) out of a maximum of **340** points, will be disqualified from further consideration, and its cost proposal will neither be opened nor considered. Only those vendors whose Technical Proposals meet or exceed the minimum required technical points will advance to PHASE III of the technical proposal score sheet.
