

## Travel Trailer Renewal Letter

[Agency letterhead]

[date]

Dear [Customer name],

### **Are you getting the most coverage available from your Foremost policy?**

Your Foremost travel trailer policy will be coming up for renewal on [date]. Now's a good time to look at your coverages and limits to make sure your policy is exactly what you want.

One thing I noticed when I reviewed your policy is that you don't have **Personal Property Replacement Cost Coverage**. This replaces your valuables that are stolen or damaged beyond repair by a covered loss with new items of like kind and quality. Without this coverage, depreciation would be taken on damaged items. With today's rising costs, that may not be enough to replace those items. That's why I want you to know that Foremost offers this optional coverage, so that you could replace your valuables with comparable items without worrying. It's just another way your Foremost policy can provide peace of mind while you're out on the road in your rig.

If you have any questions about your policy, please call me at [agent number].

If you're not sure what coverages and limits are right for you or simply want to explore some additional coverage for your rental property, please call me at [agent number].

Warm regards,
