DEPARTMENT OF ENVIRONMENTAL CONSERVATION**

In the Matter of the Alleged Violation
of Article 17 of the Environmental
Conservation Law of the State of New
York ("ECL") and Title 6 of the Official
Compilation of Codes, Rules and
Regulations of the State of New York
("6 NYCRR"),

ORDER

DEC Case No.
2-601113

- by -

BEULAH COMMONS ASSOC., LP,

Respondent.

Pursuant to 6 NYCRR 622.3, staff of the New York State Department of Environmental Conservation ("Department") commenced an administrative enforcement proceeding against respondent Beulah Commons Assoc., LP, by service via certified mail of a notice of hearing and complaint dated May 4, 2004. Respondent received the notice of hearing and complaint on May 11, 2004.

The complaint alleged that:

1. respondent is the owner of a petroleum bulk storage facility ("facility") located at 851 East 169th Street, Bronx, New York; and

2. respondent failed to timely register its facility as required by ECL 17-1009 and 6 NYCRR 612.2.

Respondent failed to answer or move with respect to the complaint or otherwise appear in this proceeding. Pursuant to 6 NYCRR 622.4(a), respondent's time to serve an answer to the complaint expired on June 1, 2004 and such time had not been extended.

On July 8, 2004, Department staff filed a motion for a default judgment with the Department's Office of Hearings and Mediation Services. Department staff supplemented its motion with an October 7, 2004 affidavit by Alyce M. Gilbert, Esq., indicating that respondent's petroleum bulk storage facility registration expired on October 22, 2002, that respondent registered the facility late on December 8, 2004, and that the facility remained unregistered for a period of two years

and one month.

The matter was assigned to Administrative Law Judge ("ALJ") Kevin J. Casutto, who prepared the attached default summary report. The ALJ's report is adopted as my decision in this matter, subject to the comments herein.

ECL 71-1929 currently provides that any person who violates any provision or fails to perform any duty imposed by ECL article 17 or any rule, regulation or order issued thereunder, or commits any offense described in ECL article 17 shall be liable for a civil penalty not to exceed thirty-seven thousand five hundred dollars (\$37,500) per day for each violation. Prior to May 15, 2003, ECL 71-1929 provided for a civil penalty not to exceed twenty-five thousand dollars (\$25,000) per day for each violation. Based upon the record, the penalty sought by Department staff is justified and warranted by the circumstances of this case.

NOW, THEREFORE, having considered this matter and being duly advised, it is ORDERED that:

I. Department staff's motion for a default judgment against respondent is granted.

II. Pursuant to 6 NYCRR 622.15, respondent is adjudged to be in default and to have waived its right to a hearing in this matter. Accordingly, respondent is deemed to have admitted the factual allegations in the complaint.

III. Respondent is determined to have violated ECL 17-1009 and 6 NYCRR 612.2 by failing to timely renew its registration for its petroleum bulk storage facility from October 22, 2002 to December 8, 2004.

IV. Respondent is assessed a civil penalty in the amount of seven thousand five hundred dollars (\$7,500), which is due and payable no later than 30 days after service of this order upon respondent. Such payment shall be made in the form of a certified check, cashier's check or money order payable to the order of the "New York State Department of Environmental Conservation" and delivered to the Department at the following address: New York State Department of Environmental Conservation, Legal Affairs, 14th Floor, Attn: Benjamin A. Conlon, Esq., 625 Broadway, Albany, New York 12233-5500.

V. All communications from respondent to Department staff concerning this order shall be made to Associate Attorney

Benjamin A. Conlon, Esq., New York State Department of Environmental Conservation, 625 Broadway, 14th floor, Albany, New York 12233-5500.

VI. The provisions, terms and conditions of this order shall bind respondent and successors and assigns, in any and all capacities.

of Environmental Conservation

Proceedings

By notice of motion dated July 8, 2004, staff of the Department of Environmental Conservation ("DEC" or "Department") sought a judgment by default against respondent concerning alleged violations of article 17 of the Environmental Conservation Law ("ECL"). It is alleged by DEC that respondent violated article 17 of the ECL by failing to register its petroleum bulk storage facility at 851 East 169th Street, Bronx, New York. In support of its motion, DEC submitted an affirmation of Associate Attorney Benjamin A. Conlon (dated July 8, 2004), two affidavits of DEC employee Alyce M. Gilbert, Esq. (dated October 7, 2004 and October 27, 2004), a proposed order and proof of service of the notice of hearing and complaint on the respondent, by certified mail, return receipt requested on May 7, 2004. The return receipt was also attached to the motion, revealing that respondent received the notice of hearing and complaint on May 11, 2004.

As of the date of the motion, respondent has failed to appear and serve an answer or otherwise move, although the time to do so expired on June 1, 2004. Further, DEC Staff submitted proof that said notice of hearing and complaint directed respondent to appear for a pre-hearing conference on May 20, 2004. The affirmation of attorney Conlon indicates that respondent failed to appear at said conference.

DEFAULT PROCEDURES

Section 622.15 of 6 NYCRR, "Default Procedures" provides, in pertinent part: "(b) The motion for a default judgment ... must contain: (1) proof of service upon the respondent of the notice of hearing and complaint or such other document which commenced the proceeding; (2) proof of the respondent's failure to appear or failure to file a timely answer; and (3) a proposed order."

The following findings are based upon the papers submitted, as identified above.

FINDINGS

1. On May 7, 2004 Staff mailed, by certified mail, a notice of hearing and complaint to respondent BEULAH COMMONS ASSOC., LP. Service was completed on May 11, 2004, when respondent received the notice of hearing and complaint (see 6 NYCRR 622.3[a][3]). The time to answer or otherwise move expired on June 1, 2004. The respondent has served no answer or motion to date.
2. Respondent has failed to comply with the registration requirements set forth in 6 NYCRR part 612 for its petroleum bulk storage facility located at 851 East 169th Street, Bronx, New York.
3. Respondent's petroleum bulk storage facility registration expired on October 22, 2002. The respondent registered the facility late, on December 8, 2004. The facility remained unregistered for a period of two years and one month.
4. The requirements for a default judgment have been adequately met as prescribed by 6 NYCRR 622.15(b).

CONCLUSION

The motion for default judgment should be granted.
