# Make a splash and read with me this summer!

Now that you are officially a participant of the New York State Senate’s Summer Reading Program, use this reading journal to record your adventures. I have listed some easy steps to help guide you in your reading:

- 1. Choose at least three interesting books and start reading!
- 2. When you finish each book, write down the title, the author and tell me what the book was about.
- 3. After you have read three books, have a parent or guardian sign this journal.
- 4. Fold the journal in half, with the mail panel showing, tape the top closed, put a stamp on your journal and mail it back to me. Once I receive your completed journal, I will send you a special certificate congratulating you on completing the New York State Senate’s Summertime Reading Program.

Your Friend,  
*John J. Flanagan*
