

4-H GOLD STAR AWARD GUIDELINES

The Gold Star Award is the highest county achievement award and intended to be received only once in a member's 4-H career. Counties have award quotas, per year, based on the number of senior 4-H members enrolled. The award will be presented to the most deserving young people without regard to sex. The following requirements must be met:

The member must be at least 15 years of age as of August 31st of the current 4-H year and must have completed at least three (3) years in 4-H including the current year.

The 4-H member must submit an awards program record book in the year he/she is to be considered for the award.

The 4-H member must have completed projects in three different project areas, including submission of appropriate record forms, and have participated in one or more activities in at least three of the following areas:

Educational Presentation / 4-H Presentation Contests
Projects

Project Exhibits

4-H Camps

Leadership Labs

Public Relations (*demonstrations, speeches, poster displays, radio, TV, newspapers, etc.*)

Other (*includes exchange programs, fund raising, State and National Congress etc.*)

NOTE: It is not expected that the requirements for projects and activities all be completed in the current year. They may have been accomplished over the entire period of time the 4-H'er has been in the program.

During his or her years in 4-H, the member must have exhibited leadership skills by serving as a 4-H officer or committee chairman (club, county, district, or state), and/or Junior or Teen leader in an activity or project with, or under the supervision of an adult volunteer leader.

The 4-H member must have participated in one or more community service activities. Examples are working or counseling with junior 4-H members; participating in community service projects (individual, group or club-type); and motivating other 4-H members through participation in demonstrations, projects and/or exhibits.

County gold Star allotments are determined by the State 4-H Office. These allotments are sent to the District Office for approval. The District Office can negotiate additional allotments if needed.
