PSL 57C Issue 5 Rev B
APPLICATION FOR CERTIFICATION WHERE
EXPERIENCE IS GAINED FOLLOWING EXAMINATION

THIS APPLICATION FORM MUST BE SUBMITTED TO PCN WITHIN
2 YEARS OF THE EXAMINATION DATE
ANY APPLICATIONS RECEIVED AFTER THE TWO YEARS WILL NOT
BE ACCEPTED

GENERAL INFORMATION (please read carefully before completing application).

This form is to be used for candidates who have passed the examination and have subsequently gained the following experience:

Required experience: levels 1 and 2

The candidate shall have had regular practical experience in the application of the NDT method and this will include a specified period of recorded practical work on site or in works under certificated supervision. The minimum periods of experience for eligibility, which may include the required period of training, are specified below:

	LEVEL 1	LEVEL 2
NDT METHOD	(months)	(months)
ET	3	9 + 3 = 12
PT, MT and VT	1	3 + 1 = 4
RT and UT	3	9 + 3 = 12

For level 2 certification, work experience normally consists of time as a level 1. However, if the candidate is to qualify directly at level 2 with no time at level 1, the experience will consist of the sum of the periods required for levels 1 and 2.

Work experience, which is based on a nominal 40 hour working week, may be gained simultaneously in two or more of the NDT methods for which PCN certification is sought, with the reduction of total experience as follows:

- * two testing methods - reduction of total time required by 25%
- * three testing methods - reduction of total time required by 33%
- * four testing methods - reduction of total time required by 50%

Full details are in PCN General Requirements clause 8.4 Table 2.

Recording pre-certification experience

Candidates will be required to provide documented proof, authenticated by an employer or responsible agency (who PCN may contact for verification purposes), of the above work experience before an application for certification can be accepted by PCN. Please list all employers during the period in which experience was gained

One application form is to be submitted in respect of each certificate applied for, and applications and supporting information must be legibly completed.

INCOMPLETE APPLICATION FORMS WILL NOT BE ACCEPTED

Candidates will be required to supply verifiable evidence of satisfying experience criteria by completing the form below.

CANDIDATE'S STATEMENT CONFIRMING ELIGIBILITY FOR CERTIFICATION:

I have read and understand PCN General Requirements for the certification of personnel engaged in NDT, particularly the criteria for eligibility, and hereby confirm that I satisfy those criteria covering vision, training and experience applicable to the level and NDT method for which I am seeking certification. In the event that I should be awarded PCN certification. I agree to comply with the PCN Code of Ethics (published as PCN document CP/27).

I understand that, in the event of a false statement being discovered, any certification awarded as a result of such a declaration will be null and void.

I understand that BINDT will hold and use personal data supplied by me for administration purposes. These purposes have been notified under the Data Protection Act 1998. The data may also be used to send separate unsolicited mailings* containing details of events, new services, products etc..

SIGNATURE: DATE:

* You have the right to ask BINDT not to send such mailings. If you do not wish to receive this information from BINDT, please tick this box []. You also have the right of access to personal data that we hold about you, on payment of an access fee not exceeding £10.

Attach

- a) Candidates having passed a PCN examination will already possess a PCN identity card. If, for whatever reason, this is not the case, a PSL/33 will need to be completed and submitted with this application.
- b) PCN Vision Requirements, including optional form for recording results of tests
vision test certificate issued within the preceding 12 months (PCN PSL/44 may be used)
- c) Certification fee (see part 6 of this form)

SIGNATURE: DATE:

For internal use only.
