

Mars Exploration Rover - 2003 Mission Participation Certificate

Presented to

on

Thank you for joining us on this mission of exploration and discovery. A compact disc bearing your name will be included in one of the next Mars Exploration Rover - 2003 missions that will explore the planet's surface in search of geologic evidence of water in Mars' past.

Together, we will journey into space to discover and understand the many wonders of our universe.

Edward J. Weiler
