

SUMMER MUSIC CAMP SCHOLARSHIPS

The Fremd Music Association is pleased to encourage all Fremd musicians to continue their musical studies over the summer break. To that end, scholarship funds are available to any current Fremd student who will be enrolled in a Music Department course in the fall of 2011. Our goal is to encourage growth in musical skills and appreciation over the summer, so those skills can be shared with others at Fremd. We hope students come back in the fall with renewed interest and talents, ready to be an asset to the Fremd Music Department. Scholarship winners will be expected to provide photos and a written summary paragraph of their experiences.

Funds available will vary depending on applications; a maximum of \$300 per student will be disbursed. The FMA Music Scholarship Application consists of this two-page form, a copy of your camp registration, and a Student Statement. Your statement should be a brief summary of your reasons for attending a Summer Music Camp and what you hope to achieve through your participation. You may use the back of this form or attach a separate sheet.
