HOW TO APPLY FOR A BOUNDARY LINE ADJUSTMENT

A boundary line adjustment (BLA) may be performed between owners of contiguous lots which are legally separate, as allowed by RCW 58.17.040(6) and Okanogan County Code Title 16.04.080, provided:

Boundary Line Adjustments may be approved if all of the following criteria are met:

1. No new lots are created (i.e.: if you start with two (2) parcels you must end with two (2) parcels);
2. The characteristics of the parcels are not substantially altered (e.g.: If a lot has access to a body of water, a Boundary Line Adjustment may not be performed if the lot loses its access to the water.);
3. The new parcel configurations contain sufficient area and dimension to meet minimum requirements for width, area and zoning for a building site and septic system. A Boundary Line Adjustment between existing non-conforming lots shall not result in lots of greater non-conformity with the exception of lot area (lot area reduction shall be the minimum necessary to accomplish the objective of boundary line adjustment); and
4. The new parcel configuration does not result in loss of access to a public or private road. Access may be provided by easement noted on parcel deeds.
5. Taxes must be paid in full (RCW 84.40.042(1)(c)).

RCW 84.40.042(1)(c):

"For each subdivision, all current year and delinquent taxes and assessments on the entire tract must be paid in full accordance with RCW 58.17.160 and 58.08.030. For purposes of this section, "current year taxes" means taxes that are collectible under RCW 84.56.010 subsequent to February 14."

6. All boundary line adjustments will be reviewed on a case by case basis, conditions can vary greatly.
