

Send us a picture of you helping improve the environment, or a photo of you learning about it. It could be featured on the EnviroKids' Club photo slideshow. Only the photos rated "GREAT" will be added to the slideshow.

Photo Instructions:

1. Have a parent take a picture of you helping improve the environment, or a photo of you learning about it (examples: studying different birds, cleaning up litter, planting a tree).
2. Have your parents complete this form.
3. Save the completed form on your computer.
4. Email this form and your picture(s) to spokaneenvirokids@gmail.com.
5. No more than 5 photos per form please.

Photo Release:

I give permission to EnviroKids for the publication or other use of the picture(s) taken of my child on _____(date); provided the pictures(s) are used solely to further the objectives of the EnviroKids' Club and its affiliated organizations.
