GENERAL GUIDELINES

- State Park staff may be required to monitor your event (see pg. 7).
- Special Event activities are prohibited between 10pm – 6am daily; on Memorial Day, July 4th and Labor Day weekends annually; or on state park beach areas between Memorial Day and Labor Day weekends. Historic District events may only be permitted between the hours of 8am to 9pm including set-up and break-down.
- Special Event Permit application fees and site deposit fees are NON-REFUNDABLE. Other fees may be non-refundable unless cancellation guidelines are followed. Payment may be made by cash, money order, cashier's check, or personal check.
- Applicant agrees to provide a *detailed site plan* indicating event location and layout no later than two weeks prior to the event. Site plan must include location of tables, chairs, arches, tents, AV equipment, food/beverage stations, power supply, staging areas, vehicle and pedestrian routes, and a complete delivery schedule. No signs or direction markers are permitted to be placed in the park unless authorized by the permit.
- Set-up, decor and activity plans must be fully disclosed, pre-approved and included in the Special Event Permit. Décor items such as flower petals, balloons, rice, confetti, sparklers and eggs are not permitted. Staking or permanent fasteners such as staples nails, screws, etc are strictly prohibited. Inflatables or bounce houses are not permitted.
- Amplified sound, including bullhorns and live bands are prohibited. Acoustic music, limited duration public address systems and background ceremonial type music may be considered at the Cultural Center (Cottage #34), site on a case-by-case basis. State Parks reserves the right to terminate sound which is determined to be excessive or detracting from the experience of other park visitors.
- A copy of all contracts/agreements with outside vendors (includes catering, bartending, set-up, entertainment, wedding and event photography, etc.) must be provided at least two weeks prior to the event. A 16% fee of each contract/agreement will be charged in addition to other applicable fees. Failure to disclose accurate contracts/agreements or remit fees within two weeks prior to the event will result in immediate cancellation of the permit, forfeiture of all non-refundable fees, and loss of reservation date. All outside vendor deliveries or set-ups must be coordinated with the Beachcomber Café Catering Manager or Event Monitor.

GENERAL GUIDELINES

- All permit applications must include the name of the applicant, organization, or business. If the permit is coordinated by an event planner or catering service, the permit application and a copy of the contract must be provided at least thirty days prior to the event or the reservation date will be cancelled and all fees forfeited. If applicant claims services are being provided at a reduced or zero value, the State will assess a fair market value to the permit fees.
- The sale of food, beverages, and merchandise is prohibited unless specifically authorized by the permit terms and conditions.
- In general, no vehicles are permitted off-road, on beaches, paved paths, or picnic areas except by permit.
- Park rules and regulations and other applicable laws are strictly enforced. Additional permits from other governmental agencies, such as city, county, CHP, CalTrans, and the California Coastal Commission, may be required for certain events and are the sole responsibility of the applicant.

INSURANCE CERTIFICATE REQUIREMENTS

Special event activities require a Certificate of Insurance following these guidelines:

For events having greater potential hazard or liability to the State than is incurred through typical daily park activities, permittee will be required to provide the State Park with a certificate of Insurance with required endorsements as proof of liability insurance coverage. The policy will cover the period of the permit and will be in an amount no less than the following as determined by the District Superintendent:

Combined single limit (CSL) \$1,000,000 per occurrence.

Insurance policies shall be underwritten to the satisfaction of the State and shall contain the following special endorsement:

The insurer will not cancel or reduce the insured's coverage during the period that this permit is in effect or without 30 days prior written notice, whichever is shorter, to State.*

This cancellation provision shall not be construed in derogation of the duty of the permittee to furnish insurance during the entire term of the permit.

State Parks does not recommend insurance providers. General information concerning insurance providers may be obtained by visiting www.insurance.ca.gov.

YOUTH CAMPS – LIMITED USE PROGRAM

Crystal Cove State Park encourages outdoor recreation for California's youth by offering designated park venues which are available for periodic, low impact activities and events. Due to the park's sensitivity to natural resource protection and limited carrying capacity, special event permits will be limited by frequency of use, number of participants, type of activity, park location, hours of use, and day of week.

HEALTH AND FITNESS PROGRAMS

Promoting physical fitness and health is a key initiative for California State Parks. Accordingly, the park may permit appropriate organized outdoor activities, such as exercise classes and personal fitness training, which offer the public opportunities for organized recreation. Due to the park's sensitivity to natural resource protection and limited carrying capacity, special event permits will be limited by frequency of use, number of participants, type of activity, park location, hours of use, and day of week.

OUTSIDE VENDOR, BUSINESS SERVICE PROVIDER – REGULATIONS

MAJOR SPECIAL EVENT GUIDELINES

Major Special Events are those events / activities impacting a significant portion of the park and the experience of park visitors. Park policy permits no more than two major special events during a calendar year which may only be held during the off-season (after Labor Day and prior to Memorial Day weekend). Proposals are considered on a case-by-case basis and may require a competitive selection process if multiple parties are interested in the same period.

The Selection Process - Major special events are approved by the Orange Coast District Superintendent and must meet all requirements defined in the special event application form and Crystal Cove State Park Special Event Program Guidelines. Major special events are selected based upon consideration of the "best interest of the State". Factors considered by the District Superintendent include potential impacts on the following: Park resources, public safety, park accessibility, areas surrounding park property, vehicle and pedestrian traffic safety, noise levels, time of day/year, location, size and scope of event, activities involved, liability to the State, park accessibility, and revenue generated by such event.

In the event that multiple special event applications / proposals are received for the same time period, all will be considered in a competitive process by the District Superintendent, following the selection criteria described above. If no special event applications / proposals are received by the due date for a specified period, proposals will be considered on a first-come, first-served basis.

Submittal Deadlines - Due to the long-range planning requirements of major special events, applications / proposals are considered and awarded for the following year major special event period. For example, the deadline for a 2006 pre-summer special event is January 1st of 2005, and the deadline for a 2006 post-summer special event is September 1st of 2005.

Pre-Summer Major Special Event - One major special event may be permitted from January 1st to the Friday before Memorial Day each year. Special event application / proposals for the pre-summer period may be submitted to the park office no earlier than January 1st of the previous year. In the event that multiple proposals are received, selection evaluation will be made by January 15th. Otherwise, proposals will be considered on a case-by-case and first-come first-served basis.

Post-Summer Major Special Event - One major special event may be permitted from the Tuesday following Labor Day to December 31st each year. Special event application / proposals for the post-summer period may be submitted to the park office no earlier than September 1st of the previous year. In the event that multiple proposals are received, selection evaluation will be made by September 15th. Otherwise, proposals will be considered on a case-by-case and first-come first-served basis.
