

## INSTRUCTIONS

### **Purpose of This Form.**

This form is for use in proceedings for which the Tacoma Immigration Court is the Administrative Control Immigration Court. The completed form should accompany all motions for issuance of a subpoena.

### **General Instructions.**

A party applying for a subpoena must state in writing or at the proceeding what he or she expects to prove by such witnesses or documentary evidence, and must also show affirmatively that he or she has made diligent effort, without success, to produce the same. An Immigration Judge will not issue a subpoena unless he or she is satisfied that the witness' evidence is essential and the witness will not appear and testify or produce documentary evidence without being issued a subpoena.

### **Motion Instructions.**

A completed subpoena form must be accompanied by a motion for issuance of a subpoena that conforms to the filing requirements of 8 C.F.R. §§ 1003.31– 1003.32 and local operating procedures. In accordance with 8 C.F.R. §§ 1003.35 and 1287.4, the motion shall concisely state the basis of the subpoena application and affirmatively show:

- jurisdiction properly lies with the Immigration Court;
- what the moving party expects to prove by such witnesses or documentary evidence;
- the moving party has made diligent effort, without success, to produce the witnesses or documentary evidence; and
- the testimony or documentary evidence is essential to the moving party's case.

### **Filing Instructions.**

A subpoena application shall be filed no later than ten (10) days before the next scheduled hearing. Any party opposing the motion shall file a written response with the Court no later than five (5) days after service of the application. A motion will be deemed unopposed unless a timely response is made. Absent exceptional circumstances, failure to submit a timely application will

not be grounds for postponing the hearing.
