PRE-EMPLOYMENT STATEMENT:

Please read carefully, initial each paragraph and sign below

 Initials I hereby certify that I have not knowingly withheld any information that might adversely affect my chances for employment and that the answers given by me are true and correct to the best of my knowledge. I further certify that I, the undersigned applicant, have personally completed this application. I understand that any omission or misstatement of material fact on this application or on any document used to secure employment shall be grounds for rejection if this application or for immediate discharge if I am employed, regardless of the time elapsed before discovery.

 Initials I hereby authorize the California Science Center Foundation to thoroughly investigate my references, work record, education and other matters related to my suitability for employment and, further, authorize the references I have listed to disclose to the California Science Center Foundation any and all letters, reports and other information related to my work records, without giving me prior notice of such disclosure. I hereby release the California Science Center Foundation, my former employer and all other persons, corporations, partnerships and associations from any and all claims, demands or liabilities arising out of or in any way related to such investigation or disclosure.

 Initials I understand that nothing contained in the application, or conveyed during any interview which may be granted or during my employment, if hired, is intended to create an employment contract between me and the California Science Center Foundation. In addition, I understand and agree that if I am employed, my employment is for no definite or determinable period and may be terminated at any time, with or without prior notice, at the option for either myself or the California Science Center Foundation, and that no promises or representations contrary to the foregoing are binding on the California Science Center Foundation unless made in writing and signed by me and the California Science Center Foundation's designated representative.
