Newsletter and News Bulletins

Summit Middle School distributes a newsletter approximately every two weeks containing pertinent information regarding school activities, awards, upcoming events, updates on new requirements and various other items of interest. It saves Summit a great deal in postage if you choose to receive your newsletter by e-mail or via our website: www.summitmiddleschool.org.

Summit also distributes news bulletins and other information, as needed, between newsletter issues. We can get information to families most reliably by e-mail; it also saves us a great deal of postage if you choose to get your information electronically.

Please provide your e-mail: _____
or e-mail us with your e-mail address at summit.office@bvsd.org.
