RE: Certificate of Inspection for: (Project Name/Address)
Type of Project: (Private Storm Sewer/Detention Ponds, etc)
Company Job Number: (Optional)
PW DES Project # _____

I, _____, a registered Professional Engineer in the State of Colorado, PE No. _____, in accordance with Sections 5.3 of the Bylaws and Rules of the State Board of Registration for Professional Engineers and Professional Land Surveyors, do hereby certify that I performed or supervised construction observation at all times construction operations took place for the following: (Check all that apply)

- Private Storm Sewers Grading
- Site Grading
- Detention/Retention Pond
(See attached Pond Volume Certification)
- Public Storm Sewers
- Outlet Structures
- Private Sanitary Sewers
- Public Sanitary Sewers
- Storm Drainage Features
- Water Quality Features

Based on field inspections/observations, it is my professional opinion that all work has been installed and is in substantial compliance with PW WMD Specifications, the approved Construction Drawings, and the Grading Plan. The As-Built drawings included accurately depict the final installation of the storm drainage and/or sewer system.

Sincerely,
