WINning Ways!**Greetings!**

I am the new Purchasing Agent for the East Hartford Board of Education and I was trying to add East Hartford bids to the DAS site. I contacted **DAS** and was referred to **Maureen Blackburn**. Maureen took the time and effort, even while she was home sick, to ensure that East Hartford Board of Education was added in a relatively quick time period. I thank her for her efforts and dedication!

Stanley Staron
East Hartford Board of Ed

A note from Carol S. Wilson, C.P.M., DAS Acting Procurement Director

Maureen thanks so much for these conscientious efforts. This service you provide to bidders getting up and running on our bidder notification system is going to grow significantly in the upcoming months and it's very comforting to know that someone like you is handling it. Well done!

C'mon WINners. I know there are people who deserve to be recognized for a job well done. Is there a co-worker who always goes above and beyond to get the job done? Someone who is always willing to help out? Please take a few minutes to write and let me know about them. I know it would really brighten their day to see their name in our "WINning Ways" section of WIN and to see that their hard work and efforts were being recognized. Send your WINning Ways nominees to me at peppy.procurement@po.state.ct.us.

Tech Talk with Ms. Bits n' Bytes

Are you familiar with the “Menu Key?”

It was there all along and I can bet you never noticed it on the right side of your keyboard between the Window Key and the Control Key. It's called the Menu Key. Why? Because when you press it, it opens up a drop-down menu for whatever program you're in. The menu includes all the information you would see if you right clicked, so I guess you could also call it the Right-Click Key.

So, next time you're typing away and need an edit menu or some other feature that you normally right-click to get, just head down to the Menu Key. Pretty soon it'll be your friend too.

Thanks to WorldStart.com * for this tip!

***Please remember many state agencies have policies for Internet usage, do not click on links at work. Jot the address down and enjoy it from home.**
