URGENT: CHANGE IN STATE LAW WILL DELAY YOUR LICENSE RENEWAL. SUBMIT AFFADAVIT NOW TO AVOID PROBLEMS!!

Dear Colleague:

During the 2011 legislative session, the General Assembly passed HB 87, "The Illegal Immigration Reform and Enforcement Act of 2011." The amendments in HB 87 altered the requirements for verifying the lawful presence of all applicants for public benefits, which specifically included professional licenses. These amendments become effective January 1, 2012.

Pursuant to HB 87, every applicant for a public benefit (i.e. license) must provide a notarized affidavit of your citizenship status and at least one secure and verifiable document to verify the applicant's lawful presence in the United States. The Board office is required to attach this information to each application and renewal file.

The Attorney General of the State of Georgia has advised us that the law requires us to collect this documentation not only from initial applicants for licensure, but also from each applicant for renewal of licensure. **This means that if your affidavit and verifiable document(s) are not received prior to your renewal; your renewal will be delayed until this information is received and processed by the Board office.**

If you have a question as to what is a 'secure and verifiable document', please refer to the [approved list of documents](#) which has been posted by the Attorney General to its website and is included below.

My fellow licensees of the Composite Medical Board, I urge you to submit your affidavit and verifiable document(s) today, to avoid having your practice disrupted by the expected delays caused by this additional documentation.

Sincerely,

Charles L. White, DO
Chairperson, Georgia Composite Medical Board
