INSTRUCTIONS FOR SCHEDULE K-1 (FORM 765)

Who Must File—Although the partnership is not subject to income tax, the partners are liable for tax on their share of the partnership income, whether or not distributed, and must include their share on the individual income tax return.

If you were a Kentucky resident for the entire year, your filing requirement depends upon the amount of adjusted gross income, age and whether you or your spouse are considered to be blind.

Any person with gross receipts of \$5,000 or more from self-employment must file a Form 740 regardless of the amount of adjusted gross income or the number of tax credits claimed. Generally, all income of Kentucky residents, regardless of where it was earned, is subject to Kentucky income tax. See Form 740 Instructions.

Nonresidents with income from Kentucky sources and part-year residents receiving income while a Kentucky resident or from Kentucky sources while a nonresident must file a Kentucky return. **Partnership income is not exempted by reciprocal agreements between Kentucky and any other state.** Form 740-NP must be filed by an individual with income from Kentucky sources and a combined gross income from all sources of \$5,000 or more. Full-year nonresidents must report all income from Kentucky sources and from property located in Kentucky. Persons moving into Kentucky must report income received from Kentucky sources prior to becoming residents and income received from all sources after becoming Kentucky residents. Residents moving out of Kentucky during the year must report income from all sources while a resident and from Kentucky sources while a nonresident.

When to Report—Include your share of the partnership's income or (loss), credits, deductions, etc., as shown by your Schedule K-1 (Form 765) on your Kentucky income tax return for the year in which the tax year of the partnership ends. For example, if you, the partner, are on a calendar year, and the partnership's tax year ends January 31, 2001, you must take the items listed on Schedule K-1 (Form 765) into account on your tax return for calendar year 2001.

At-Risk Limitations—Generally, if you have a loss from any activity carried on as a trade or business or for the production of income by the partnership and you, the partner, have amounts invested in that activity for which you are not at risk, you will be required to complete federal Form 6198, At-Risk Limitations, to figure the allowable loss to report on your Kentucky income tax return. Your deductible loss from each activity for the tax year generally is limited to the amount you are at risk for the activity at the end of the partnership's tax year or the amount of the loss, whichever is less. To help you complete Form 6198, if required, the partnership has provided a schedule showing your share of income, expenses, etc., for each at-risk activity.

NOTE: Form 740 filers see Form 740 instructions for Schedule M, Line 4 and/or Line 13.

Passive Activity Limitations—The passive activity limitations in IRC Section 469 are figured at the partner level and may apply to any loss reported on Lines 1, 2 or 3 and any other related items of income, loss and deductions reported on Schedule K-1 (Form 765). Refer to the federal Partner's Instructions for Schedule K-1 (Form 1065) to determine if the passive activity limitations apply to your share of loss(es) reported on Schedule K-1 (Form 765), and if you must file Form 8582-K, Kentucky Passive Activity Loss Limitations.

SPECIFIC INSTRUCTIONS

Kentucky Resident Partners (Form 740 Filers)—To determine the net difference between the federal Schedule K-1 amounts and the Kentucky Schedule K-1 amounts, complete Lines 18, 19 and 20. This will adjust the items of income, loss and deductions used to compute your federal adjusted gross income to the Kentucky amounts shown in Column (b), Schedule K-1.

Lines 18 and 19—Include on these lines, the Kentucky Schedule K-1 and federal Schedule K-1 amounts from Lines 1 through 6 and 9. Also include the amounts from Lines 7 and 11 that do not pass through to Schedule A as itemized deductions (see Partner's Instructions for Schedule K-1 (Form 1065)).

NOTE: If Form 8582-K is required, adjust the amounts entered on Lines 18 and 19 to exclude any income, loss, deduction or expense related to a passive activity. Complete the passive activities adjustment worksheet (Form 8582-K, page 2) to determine

additions to or subtractions from federal adjusted gross income. **See Form 740 instructions for Schedule M, Line 3 and/or Line 12.**

If amounts on Lines 4(d) and 4(e) are subject to the capital loss limitations, do not include on Lines 18 and 19. Complete federal Schedule D using Kentucky amounts to determine additions to or subtractions from federal adjusted gross income.

Line 20—Enter difference of Lines 18 and 19. If Line 18 is greater than Line 19, enter the difference as an addition to federal adjusted gross income on Schedule M, Line 3. If Line 19 is greater than Line 18, enter the difference as a subtraction on Schedule M, Line 12.

Caution: If the amounts on both Lines 18 and 19 are loss amounts, the smaller dollar amount of loss is the greater amount and to determine the difference subtract the smaller dollar amount from the larger dollar amount. If the amount on either Line 18 or 19 is an income amount and the amount on the other line is a loss amount, the income amount is the greater amount and to determine the difference add the two amounts.

Nonresident Partners (Form 740-NP Filers)—Nonresident partners must report their distributive share of income by multiplying the percentage reported on Line D(2) by all items of income (loss) reported on the Kentucky Schedule K-1, Column (b). If the percentage shown in Line D(2) is 100%, you must enter on the appropriate lines of Form 740-NP and related schedules the amounts shown on Lines 1 through 6 and 9, portions of Lines 7, 11 and 12(a) and the portion of Line 15(a) actually deducted for the current year. If the percentage shown in Line D(2) is less than 100 percent, the amounts on Lines 1 through 6 and 9, the portions of Lines 7, 11 and 12(a) which do not pass through to Schedule A and the portion of Line 15(a) actually deducted for the current year must be multiplied by this percentage and entered on the appropriate lines of the Nonresident or Part-Year Resident Income Tax Return, Form 740-NP, and related schedules. Lines 8 and 10, and the portions of Lines 7, 11 and 12(a) which pass through to Schedule A should not be multiplied by the percentage in Line D(2). The Kentucky tax credits on Lines 13 and 14 should not be multiplied by the percentage in Line D(2).
