

New Instant Ticket Game Release
Automatic Allocation Order Form

The Maine State Lottery has designed a program that allows Lottery Retail Agents to receive **new games** automatically. To participate in this program or change your current allocation of tickets, please complete this form and indicate the quantity by price point of the instant ticket games you would like to receive.

Once the Maine State Lottery has received your properly completed form, your automatic allocation will begin with the **next** allocation of instant ticket games. If you have any questions about this process, please contact our office at (207) 287-9958 or by email at MaineLottery@Maine.gov.
