SAMPLE AUDIT REPORT EXCERPTS

Honorable Mayor
City of Good Hope

REPORT ON COMPLIANCE WITH REQUIREMENTS APPLICABLE TO EACH MAJOR
PROGRAM ON INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH OMB
CIRCULAR 133

We have audited the compliance of the City with the types of compliance requirements described in the
U.S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement that are
applicable to each of its major federal programs for the year ended June 30, 2008. The City's major
federal programs are identified in the summary of auditor's results section of the accompanying schedule
of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts and
grants applicable to each of its major federal programs is the responsibility of the City's management.
Our responsibility is to express an opinion on the City's compliance based on our audit.

As described in item 200X-03 in the accompanying schedule of findings and questioned costs, the City
did not comply with the requirements regarding documentation of related expenses.

Section – Federal Awards Findings and Questioned Costs

Finding 200X-3

Statement of Condition. During our review of required documentation supporting requested
reimbursements we noted the following two items lacked sufficient documentation:

1. An expenditure of $145.92 to Xerox is unsupported by documentation indicating it was an
    Disaster Recovery CDBG expense as opposed to a general City administrative cost.

2. The $4,700.00 expended for the salary of Ellen Smith, City Clerk, is unsupported by payroll
    records documenting the hours spent on Disaster Recovery CDBG activities as opposed to
    general City administration.

Criteria. The 2008 CDBG Grantee Handbook states:

1. Office equipment may be purchased or leased with Disaster Recovery CDBG funds when it is
    needed to carry out the Disaster Recovery CDBG Program. … any Disaster Recovery CDBG
    funds expended to lease or purchase equipment will result in disallowed costs unless the grantee
    can establish - and has fully documented in the grant files - that the expenditure(s) was
    reasonable, necessary, and allowable to the grant, and was not a general expense required to carry
    out the overall responsibilities of local government as required by OMB Circular A-87 Cost
    Principles for State and Local Governments.

2. All employees paid in whole or in part from Disaster Recovery CDBG funds should prepare a
    timesheet indicating the hours worked and detailed duties performed on Disaster Recovery
    CDBG projects for each pay period.

13-2

Effect of Condition:	Potential misuse of federal funds.
Cause of condition:	Not following standard booking procedures and recording keeping.
Recommendation:	Accounting department should conduct a review of procedures.
Questioned Costs:	$4,845.92

SAMPLE RESPONSE TO AUDIT LETTER

Dear Ms. State Director:

In response to the Audit Report by John Sean and Associates of the City's Disaster Recovery CDBG Program:

1. The $145.92 Xerox bill was paid with Disaster Recovery CDBG funds based upon a six-cent/unit page cost for 2,432 units of copying recorded for the Disaster Recovery CDBG Program over the year (2,432 x $0.06 = $145.92). Our Xerox machine is equipped with a counter and all charges made to #4 are Disaster Recovery CDBG costs. We paid the $145.92 invoice in lieu of transferring funds from one account to another. A copy of the record is enclosed for your review.

2. Journal entries in Capital Project Fund show a Due from Intergovernmental Grant accounts for a total of 423 hours at $8.05 per hour. A copy is attached. However the General Ledger did not report the entries in the regular payroll account. This accounts for $3,405.15 of the disallowed $4,700.00, leaving $1,294.85 as an ineligible cost. It will be paid out of the City's General Fund. We have instituted a time sheet procedure to avoid a recurrence of this problem.

We look forward to your response.

Sincerely,

Mayor
