

LED Street and Outdoor Lighting 2013 DLTA Project: Letter of Interest

To Whom It May Concern:

On behalf of my municipality, _____, I would like to express interest in participating in MAPC's 2013 DLTA project for the collective procurement of outdoor LED lighting.

Check one:

- I have completed the attached Summary of Interest in LED Street & Outdoor Lighting
- I will complete and submit the attached Summary separately

I understand that a local match, while not required, is encouraged to demonstrate commitment to these projects. I will determine my municipality's ability to contribute both in terms of funding and staff time, and get approval for participation in these projects with the relevant elected officials, boards, or other entities in my municipality. I also understand that if my municipality wishes to purchase lighting products as a result of this group procurement, it will be necessary to come up with sufficient funds to purchase said products.

By signing this letter, I acknowledge that MAPC will regard my municipality as an interested DLTA participant unless otherwise notified. This letter does not represent a binding agreement to commit funds, purchase goods, or participate in a collective procurement.

Sincerely,
