

# **\*\*Intro to ArcGIS II - Version 9.0\*\***

February 2 – 4, 2005

## **MARIS Technical Center's ESRI Authorized Training Center**

### **Course Description:**

*This three-day course follows Introduction to ArcGIS I and continues to present important concepts and functionality for successfully working with ArcGIS. With further exploration of ArcMap and ArcCatalog, students focus on spatial analysis, automation of spatial and attribute data, editing, and advanced options for cartographic display and reports. Hands-on exercises teach ArcGIS procedures in the context of solving real-world problems. Students conduct queries, perform spatial analysis, and present their results in a hard-copy map and report. The class will be taught by an ESRI Authorized Instructor from 8:30 a.m. to 5 p.m. each day.*

### **Enrollment Information:**

*The registration fee is **\$600** and includes ESRI official instructional materials, refreshments, and ESRI course certificate.
