2011 Summer Class Schedule

http://schedule.tmcc.edu View the most current class listings online.

View the most current class listings online. Classes are updated daily.

Registration for summer sessions I and II begins on April 18, 2011.

If you are a first-time TMCC student, you need to be admitted before you may enroll in classes. To learn more about the steps for enrollment, go to www.tmcc. edu/admissions/stepstoenroll/.

If it has been more than five years since you took a TMCC class, contact the Admissions and Records office to reactivate your file.

If you are a continuing student, use MyTMCC to enroll in classes. Check dates and deadlines for registration times and fee payment dates.

TMCC PRIVACY NOTICE FOR PRINTED MATERIALS

In accordance with institutional policy and the U.S. Family Education Rights and Privacy Act of 1974 (FERPA), Truckee Meadows Community College vigorously protects the privacy of student education records. The institution does not release private records of individual students, such as grades and class schedules, without prior written consent of the student.

As permitted under federal law, the sole exception to the above practice is the release of "directory" information considered to be public in nature and not generally deemed to be an invasion of privacy. At Truckee Meadows Community College the following categories are defined as "directory" information: student name, address, telephone number, semesters of enrollment, full-time/part-time status, degree(s) awarded, emphasis field(s) and date(s) of graduation.

Students have the right to request non-disclosure of directory information. If they do not restrict release of this information, it is probable that the information will be released and disclosed. Truckee Meadows Community College uses directory information for non-commercial, educational purposes, such as to mail notices to students about changes in policies, services or opportunities. Directory information may also be provided by commercial purposes to businesses affiliated with the institution, honor societies, the alumni association and foundation, or other individuals for purposes that may be beneficial to students. The institution exercises discretion in responding to requests for directory information and may or may not provide such information when requested, depending on the intended purpose of the request. The institution does not sell or rent student information for a fee.

It is important to consider carefully the potential consequences of restricting the release of directory information. If a student restricts release for non-commercial educational purposes, the institution will be unable to place the student's name in publications such as honors and graduation programs; to confirm graduation and dates of attendance to potential employers; to verify enrollment with organizations such as insurance companies; or to send notifications about specialized scholarships without the express written authorization of the student.

If after the consideration, you wish to restrict the release of directory information, complete this form and submit it to the office of admissions and records. This directive will apply permanently to your record until you choose to reverse it by submitting a written authorization.

| | Do not | disclose | my inf | ormation | for | commercial | purp | oses. |
|--|--------|----------|--------|----------|-----|------------|------|-------|
|--|--------|----------|--------|----------|-----|------------|------|-------|

- Do not disclose my information for non-commercial, education purposes.
- Do not disclose my information for both commercial and non-commercial purposes.

| Printed name | Student ID |
|--------------|------------|
| Signature | Date |

I understand that this will apply permanently to my record until I choose to reverse it by submitting written authorization to the Registrar, Truckee Meadows Community College, 7000 Dandini Blvd., Reno, NV 89512.

WB 50248 1003

Online class 7/5-8/5/2011. Students need access to Microsoft Office 2007, a computer and the internet to complete assignments. Students who do not have Microsoft Office 2007 installed on their home or office computers, may use the following general access labs on any of the following TMCC campuses: SIER109 or MDWS S124. Lab Fee: \$ 2.00

Please go online for the latest schedule. http://schedule.tmcc.edu
