PLEASE APPLY MOST RECENT PROJECT RATING LIMIT ON FILE WITH NJSDA: YES NO

If yes, the bidder must sign page 7 certifying that there has been no change regarding safety, prevailing wage record, or Authority Project Evaluation Record since the prior Project Rating was assigned and return all seven (7) pages to the SDA.

The bidding procedure with the New Jersey Schools Development Authority ("Authority") is a two-step process:

1. A Bidder must first submit its "Project Rating Proposal", which consists of information regarding "other factors" that will be evaluated by the Authority in its consideration of the bid. The Authority will determine the Bidder's Project Rating Limit based on this proposal.
2. A Bidder must submit its "Price Proposal", which contains the price the Bidder intends to bid for the work as well as other required information.

Important Notes:

1. A Bidder may not submit a "Price Proposal" that exceeds its "Project Rating Limit."
2. A Bidder's "Project Rating Limit" cannot exceed the bidder's "Aggregate Rating."

A. GENERAL

This "Project Rating Proposal" is an evaluation of "other factors" required by the Educational Facilities Construction and Financing Act, P.L. 2000, c.72. Bidder's information submitted in the "Project Rating Proposal" allows the Authority to determine "Project Rating Limit" for this bid package.

Bidders are required to submit this completed "Project Rating Proposal" on or before the due date and time listed in the "Bid Advertisement" or such other date as set by an Addendum. **Faxed or emailed copies will be rejected.**

Failure to include all of the required information may preclude the bidder from achieving a "Project Rating Limit" sufficient to submit a "Price Proposal."

The Authority, after review of the information submitted in the "Project Rating Proposal", will determine a "Project Rating Limit" for the Bidder as described in the "Instructions to Bidders."

1. A Bidder's "Project Rating Limit" **cannot exceed** the Bidder's "Aggregate Rating."
2. A Bidder's "Project Rating Limit" **cannot exceed** 170% of the Bidder's largest project listed in the "Project Rating Proposal."

B. BIDDER'S LISTING OF PROJECTS

The completed projects listed by the Bidder must include references associated with the projects as well as represent the experience of the Bidder. Joint venture experience will not be accepted unless the Joint Venture is bidding on the same project.

1. The Bidder must provide at least two (2), but preferably four (4) projects completed within the past seven (7) years on the forms provided on pages 3 & 4 of the "Project Rating Proposal." **Failure of the Bidder to provide at least two (2) projects meeting the above criteria, will result in the Bidder being deemed ineligible to submit a "Price Proposal."**

Note: "Completed" is defined as a project where, at a minimum, a Temporary Certificate of Occupancy (TCO) has been granted or in the case where a new or amended Certificate of Occupancy (COO) is not required, projects that are 100% complete.

2. The Authority will select, at its discretion, two (2) of the listed projects with references (Owner's Contact or Project's Contact). If the Authority cannot contact the listed references, the Bidder will be contacted to supply another reference for that project. If the Bidder is unable to provide another reference, or if the Authority is unable to contact the new reference supplied, the Authority will not use that project in the determination of the Bidder's **"Project Rating Limit."**

Note: "Owner's Contact" = the individual that engaged the Bidder and is familiar with the work performed.

"Project's Contact" = the owner's representative who oversaw the project for the owner on a daily basis and who is not employed by the Bidder's firm.

3. The listed references will be requested to provide a rating of "Exceeded Expectations", "Met Expectations", or "Below Expectations" to the following seven (7) categories:
 - ***Safety.***
 - ***The quality of the construction.***
 - ***The timeliness of the work performed.***
 - ***The efficiency of the Bidder's contract administration.***
 - ***Supervision of subcontractors.***
 - ***The Bidder's level of cooperation during the course of the construction.***
 - ***The timeliness and efficiency of punch list work corrections.***
4. If a listed reference rates a firm "Below Expectations" in either Safety or Quality of Construction, or if the overall reference adjustment (as described in the "Instructions to Bidders", Section 3.2.1) is minus five (-5) or lower the Authority will not use that project in the determination of the Bidder's "Project Rating Limit."
