ZCAR Invades GForce

For a rainy day, it was a great showing...With 15 members and guests racing the GForce Track and 3 watching from afar ...Theo had the best time with Mark, Randy, Charlie, Nick and Sharon very close for second place...At the start of the race you would take two right turns and then look at a pillar that could take your breath away trying to avoid it...The pillar was very close to the track but surrounded by tires...Then a long straight away to build up the speed followed by a 90° turn to the right and then another 180° turn to the right followed by a left then a quick 180° again with a 90° left turn and then you were back at the start...the best lap time was 26.5 seconds by Theo...We all had a great time racing and could feel the pain from muscles we haven't used for a while...Thumbs, arm muscles and neck and back muscles all got a workout...Everyone had a good time racing and talking about it afterwards, from the pits thru the long straight away and the quick turns, we all had something that was different for us to handle...In attendance was James, Randy, Theo and Delia, Gaile and John, Nick, Ronald and Aleta, Shelly, Sharon, Mark and Lynne...

To All TZCC Members,

Thank you all for your prayers and well wishes during my recent visit to the hospital. After a complication kept me on my back a couple of days longer than expected, I've been making a good recovery.

Your emails were especially appreciated, Paul brought them to the hospital and read them to me. It is those things that make the Z Family what it is.

I hope to see you all soon.

Sincerely,

Patti Hollander

May 5, 2007 VaBch Boardwalk Show

Cruise on down to the Virginia Beach boardwalk for a day of fun in the sun and the chance to see a collection of some of the hottest cars ever assembled! Whether you bring a classic car to show off, or cheer your favorite entry at the popular burnout competition, this revved-up weekend is guaranteed to crank up both participants and spectators.

Over two hundred hot rods, classic cars, street machines, antiques automobiles, and even motorcycles will line the boardwalk for fun and competition at the 8th Annual Cruisin' Virginia Beach Auto Super Show. Car clubs from throughout the Southeast will display their autos and compete for trophies in various categories. Clubs expected to participate in this year's show include Mopars, VW's, Fords, Corvettes, and many others. Enthusiasts who wish to display their cars and have them judged may enter through one of the car clubs or participate as an "independent." Trophies are presented by the various car clubs at the conclusion of the event on Saturday.

The controlled burnout competition, always a crowd-pleaser, will be held Saturday evening at the municipal parking lot at 18th Street and Arctic Avenue at the oceanfront. Participants in the Cruisin' Virginia Beach Auto Super Show receive t-shirts, dash plaques, valuable coupons for area attractions, and door prizes.

There is a registration fee for entering a vehicle in the car show.

The event is free for spectators.

Meeting Call to Order

Todd Wagner called the meeting to order. There were no new members or guests. Frank Hudson gave the treasurer's report, showing balances of \$447.31 in the checking account and \$4,461.71 in the savings account as of January 31. The January minutes were approved as written.

Motor Sports

Chairman Jim Setzer was out of town and asked Roy Armstrong to fill in. Seven club members (with six cars) participated in a High Performance Driving Experience (HPDE) at Virginia International Raceway during the first weekend of February. Everyone had a good time, and Roy noted that you don't have to have a specially prepared car to participate.

Old Business

Todd Wagner and Mandi Gregg hosted a Superbowl party attended by 10 members; even those of us who didn't have a particular team to cheer for enjoyed some spectacular plays.

The 20th annual Z Car Convention will be held October 1-5, 2007, in Daytona Beach, FL, hosted by the Florida Z Association. See their Web site at www.flza.com for details and registration, Optional Hot Laps at Sebring are being offered under the auspices of Chin Motorsports on Saturday, October 6, following the convention—sign up early to take advantage of this good deal.

New Business

The Texas Hold 'Em poker

party will take place at John and Sis Ambrose's home in Poquoson at 7:00 pm on Saturday, March 24. Future events include an afternoon at American Indoor Karting in Portsmouth, the wine trip on the last weekend in April, a Sunday afternoon Tides game in June, and a pig picking in September. Members of the Activities Committee are accepting all additional ideas.

The club's annual car show is scheduled for Saturday, May 19, at Pomoco Nissan.

Theo asked to accept the minutes of the last meeting as published and all members present agreed.

Treasury Update – Current balance is \$3507.54

Membership Update – The club currently stands at 53 active members with 9 of them overdue on their dues. If these members do not pay up soon, they will not be submitted to Nissan Sport for a continuation of their subscription.

Such a deal!

Theo gave a quick once over of the coming events reminding us of the Wine trip in March, Sunday Drive in April, Tidewater Car Show in May, etc. See the web site for more details. We're still looking for someone to volunteer to organize the Gimmick Rally in November.

If you have a picture(s) on SmugMug please add you name to the comment field so the webmaster can identify you correctly. If you have any digital picture(s) you'd prefer to have on the web please send them to the webmaster. If you would like to have a picture taken, please call Randy Frommater at 264-0662 and he'll meet with you and take the shot.
