Fraud Prevention & Awareness Program

Taking care of your credit card and Personal Identification Number (PIN)

When you receive your Personal Identification Number (PIN) mailer:

1. Memorise your PIN immediately and destroy the PIN advice envelope. Do not write down your PIN and do not store the PIN advice envelope in your wallet/purse or save it in your mobile phone.
2. If your PIN advice envelope is compromised or appears tampered, report it immediately by calling our Customer Services at 03- 2161 1055 or the Lost/Stolen card reporting telephone number at 03 - 2161 2862.

Caring for your credit card:

1. After performing a transaction or purchase on your credit card, always ensure the credit card returned is yours and not someone else's.
2. Always ensure that your credit card is in your care and possession. Do not leave your credit card unattended in the car or lockers. Always keep your credit card in a safe place when not in use.
3. When you receive your renewal/replacement credit card, always ensure your old credit card is destroyed by cutting across the magnetic strip into halves.
4. Do not reveal your credit card PIN or any username or password or other authentication credentials to anyone even if they purport to be an authorised staff or an officer of any regulatory body.
