Instructions

1. Vendors in good standing with the VT Department of Taxes may submit an application for reimbursement of the cost of reprogramming their cash registers/computers for the 2009 Sales Tax Holiday. The reimbursement is by vendor, not by location. For example, if you have three locations, submit only one application.
2. You must attach a copy of your invoices showing the charges for reprogramming your cash registers/computers. To qualify for the reimbursement, the cash register/computer must have been used in your business on and after August 22, 2009
3. The reimbursement is available from a fund authorized by the Legislature. The amount of your reimbursement for the two sales tax holidays will not exceed the following amounts: the actual cost of the reprogramming; \$50.00; or the \$10,000.00 fund authorized by the Legislature divided by the total number of qualified vendor applicants for the August, 2009 and March, 2010 Sales Tax Holidays combined.
4. Applications related to the August 22 holiday must be postmarked or sent by fax on or before October 21, 2009. The fax number is (802) 828-5787. Applications received after the due date will not be considered. Mail your completed application to:
