

Application for Access to CARS

Main Roads Western Australia ("the Licensor") agrees to provide access to the Main Roads Crash Analysis Reporting System (CARS) for the purposes and conditions set out in this agreement:

Rights of Ownership

- Through this agreement, the Applicant only acquires the right to use the specified information, and does not acquire any rights of ownership to the information; all intellectual property rights in the data will remain vested in the Licensor.
- This agreement does not entitle the applicant to permit any other third party to use CARS nor provide information or part thereof for their use without prior notification and written consent from the Licensor.
- The Applicant shall ensure that all products developed from incorporating the supplied information or part thereof bears an acceptable acknowledgement that the Licensor is the source of the information.

Indemnity

- The Applicant releases the Licensor, its officers and employees in respect of all claims and liability for loss or damage which may be connected to or arise from the performance or use of the information or part thereof produced from the supplied information.

No Warranties

- The information is supplied in good faith and is derived from sources deemed to be reliable and accurate. However, the Licensor cannot guarantee the reliability and accuracy of the information provided and expressly disclaims its liability and that of its employees and agents for any act or omission done in reliance on any products derived from the data for external release.

Confidentiality

- The Applicant must not release or provide any information that might enable the identification of a person or persons.
- The Applicant must preserve the confidential nature of the information they are being granted access to and shall not use it for any purpose other than the approved purpose.

1. APPLICANT DETAILS

Surname		First / Preferred Name	
<i>(Please Tick appropriate Box)</i>			
Main Roads' Employee <input type="checkbox"/>	LGA Employee <input type="checkbox"/>	Consultant <input type="checkbox"/>
