CORRESPONDENCE MEMORANDUM

DATE: February 8, 2013

TO: Executive Committee
Employee Trust Funds (ETF) Board

FROM: Pam Henning, Administrator
Stacie Meyer, Human Resources Director
Division of Management Services

SUBJECT: Steps/Timelines for the ETF Secretary's Evaluation Process and
Supervisor/Manager Survey

Background

In December 2008, the ETF Board (Board) approved a performance evaluation form to assist in evaluating the Secretary in June of each year. The Board also approved the use of a managerial survey as a helpful tool to provide additional information to consider as members evaluated the Secretary's performance. The survey questions are aligned with the categories on the performance evaluation form and cover management of operations; member/employer services; external relations; leadership; and staff development. The Board utilizes both of these documents in its yearly evaluation of the ETF Secretary.

At the Board's March 2012 meeting, the Board approved deferring Secretary Conlin's evaluation for 2012 since the time period would be insufficient to provide an objective and complete review due to the Secretary's new appointment effective in January 2012. As a result, this evaluation review period will include the time of appointment in January 2012 to May 2013.

Evaluation Changes

Due to the changes underway with the agency's Transformation, Integration and Modernization (TIM) initiatives and the importance of participation of our supervisors, the manager survey will be expanded to include evaluation of the Secretary by ETF's 22 supervisors in addition to the 22 managers. In addition, in order to foster participation in the evaluation, it will be issued using the survey tool, SurveyMonkey. A link to the actual survey and instructions will be provided in May to the Board for your response.

Board	Mtg Date	Item #
EXC	3.6.13	5B
ETF	3.7.13	4A1

Response Rates

In order to maintain confidentiality of our supervisors/managers while also providing an incentive to be completely honest in their evaluations of the Secretary, the survey responses from the managers has been confidential in the past. Unfortunately, this does result in less than 100% response rate since Human Resources is unaware of who has completed the survey. This has been a concern of the Board in the past. For the past ETF Secretary, the managers' survey response rate in 2011 was 93.6%. This was an improvement from the prior year's response rate of 92.3%. To address the Board's concerns but maintain confidentiality for the supervisors and managers in responding to the survey, Human Resources will again stress the importance of the survey and will highlight in the cover letter to supervisors/managers that the Board is asking for 100% participation.

We will be available at the Executive Committee and ETF Board meeting to answer any questions.
