RMA N°:

## Terms of repair / return

- In the event of non-acceptance of the repair quote, the customer shall bear the cost of the analysis performed. The cost of this technical analysis is 140€.
- If the equipment is not withdrawn within 1 month of the date of this quote, it may remain the property of ELECTRIC AUTOMATION NETWORK SL.
- Analyses performed on equipment that works correctly are not covered by the guarantee or exempt from the repair cost.
- Guarantees do not cover postage.
- Repair of equipment under guarantee will be ineffective if the product has no serial number and manufacturing date.
- The deadline for acceptance of return of an item is 7 days from the data of purchase. If the item returned has been used or is not in the original packaging, the return will not be accepted.
- NO CLAIMS WILL BE ACCEPTED MORE THAN 24 H. AFTER RECEIPT OF THE MATERIAL. IF TRANSPORT CAUSES ANY INCIDENT IN THE ITEM PURCHASED, THE CUSTOMER MUST REPORT THE INCIDENT TO ELECTRIC AUTOMATION NETWORK SL TO NEGOTIATE ANY COMPENSATION THAT MAY APPLY WITH THE TRANSPORT AGENCY.
