Media and book gifts that support the mission of the library are always welcome. However, the New Mexico Tech Skeen Library may not be the best home for some donations.

Would you like items that we are not able to add to our collection to be returned to you?

Yes No

The library will thank donors with a letter acknowledging the items donated, but cannot appraise the value of the items donated. If you wish to find out if items you have are suitable for the New Mexico Tech Skeen Library, please contact Lisa Beinhoff (835-5030 or lbeinhoff@admin.nmt.edu).
