*The Post-Graduate Medical School of the New York University School of Medicine is committed to improving patient care through continuing medical education.*

#### Purpose Statement

There are many recent technological advances in imaging techniques which can be applied in current clinical practice. Maintenance of certification requires continued review of essential imaging techniques in all areas of radiology, including body imaging.

#### Course Description

For CT, emphasis will be placed on multi-detector helical CT (MDCT), high-resolution chest CT and CT Angiography (CTA). State-of-the-Art MRI techniques to be discussed include peripheral magnetic resonance angiography (MRA), cardiac imaging and dynamic imaging of the female pelvis. Practical applications of these techniques will be emphasized. There will be a focus session on CT and Ultrasound evaluation of acute abdominal and pelvic conditions, including trauma. The course will conclude with a symposium on new frontiers in body imaging during which cutting-edge techniques will be discussed. Topics to be included are the current status of CT/PET for oncologic imaging, CTA of coronary arteries, new techniques in Body MRI and MDCT for lung cancer screening.

#### Target Audience

This course is designed for radiologists in academics or private practice.

#### Educational Objectives

After attending this course, the participant should be able to:

- Apply applications of MDCT in the diagnosis of abdominal and thoracic conditions, including trauma, inflammatory disorders and neoplasm
- Describe CT and ultrasound findings in acute abdominal and pelvic conditions
- Apply CT and MR techniques in the diagnosis of renal, adrenal, pancreatic and hepatic neoplasms
- Apply CT, ultrasound and MRI techniques in the diagnosis of disorders of the female pelvis
- Apply MR techniques in the evaluation of musculoskeletal disorders, including infection, marrow disorders and knee injuries
- Discuss cutting-edge techniques in cardiovascular imaging, including cardiac MRI, peripheral MRA and coronary CTA
- Assess current applications of CT/PET imaging in oncology

#### Accreditation Statement

The NYU Post-Graduate Medical School is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The NYU Post-Graduate Medical School designates this educational activity for a maximum of 22.75 category 1 credits toward the AMA Physician's Recognition Award. Each physician should claim only those hours that he/she spent in the activity.

#### Disclosure Statement

The NYU Post-Graduate Medical School adheres to ACCME Standards regarding industry support of continuing medical education. Disclosure of any commercial relationships as well as discussion of off-label or investigational use of any drug, device or procedure by the faculty will be made known at the symposium.

#### Registration Information

The tuition for this five-day course is \$875; \$550 for residents/fellows, retirees, NYU alumni, V.A. employees, Canadian and non-U.S. physicians. On-line registration is the easiest and fastest way to register for this course. If you need to cancel this meeting, a \$75 service charge will be made if written cancellation is made at least 30 or more days in advance and a \$150 cancellation fee levied for cancellations made within 30 days.

#### Course Confirmation

Please be sure to provide your email address to receive a confirmation/receipt.

#### Special Needs

The Post-Graduate Medical School of the New York University School of Medicine, in compliance with the legal requirements of the Americans with Disabilities Act, requests any participant of this CME course who is in need of accommodation to submit written requests to our office at least one month prior to the course date.

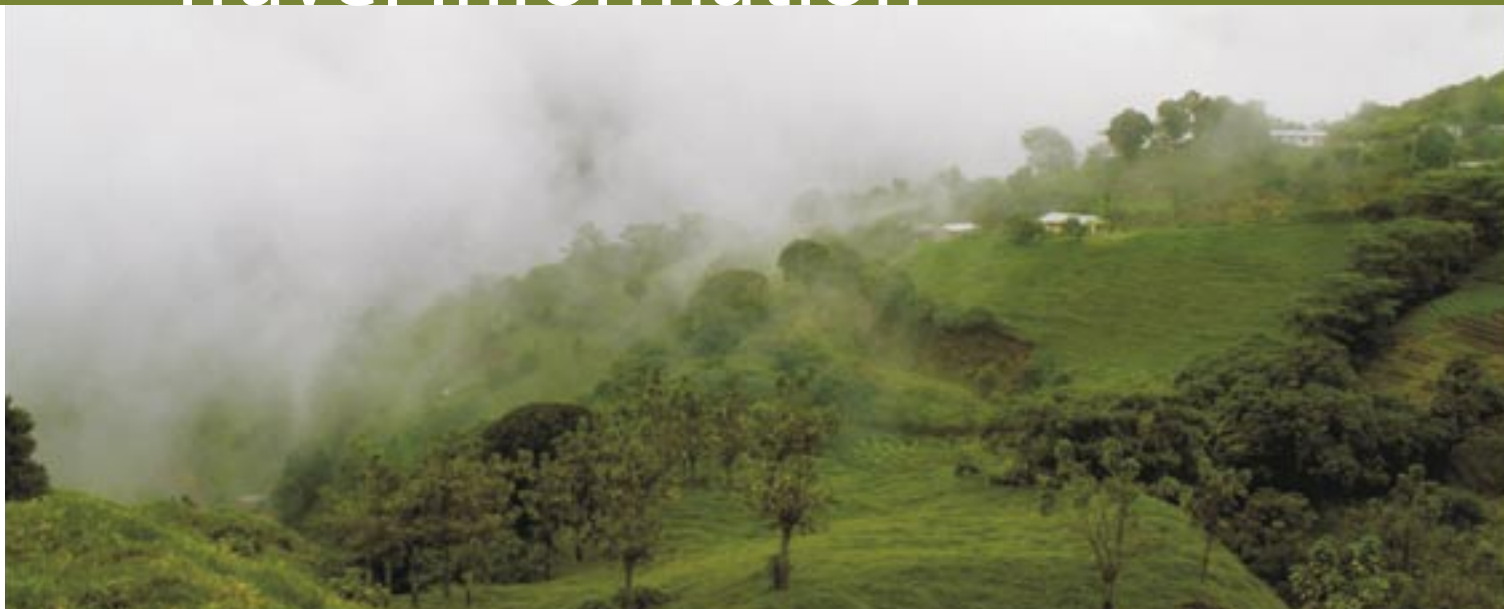

#### Dietary Restrictions

Please indicate any dietary restrictions on the registration form or when you register on-line.

#### Special Topics/Questions

If there is a specific topic or question that would help fulfill your educational needs, please submit it on the registration form or on-line form.

# in Costa Rica Travel Information

## Costa Rica

Costa Rica has more ecological preservation, sightseeing and recreational activities per square mile than any other country in the world. More than a quarter of the country is dedicated to national parks and wildlife preserves, while tropical rain forests, active volcanoes, miles of unspoiled beaches, and climatic zones provide visitors with an incredible travel experience. Temperature is an average 80° year round.

## Marriott Ocean & Golf Resort, Los Sueños

Nestled between warm pacific waters and a verdant rain forest, Los Sueños Marriott Ocean & Golf Resort captures the region's natural splendor, with the contemporary amenities of a world-class resort. Lazily meandering throughout the resort, under footbridges, past shade-bearing palms, the free-form horizon pool is the centerpiece of the resort's experience. Deftly carved out of the natural landscape, an 18-hole championship golf course offers not just a challenging Ted Robinson-designed layout, but a spectacular gallery that includes friendly monkeys to brightly hued macaws. In addition, enjoy the lighted ten-

nis courts, a fully equipped fitness center, sauna and spa services, water sports, and a Casino and entertainment center.

Deluxe Mountain View rooms confirmed for NYU participants feature a Juliet style balcony, air conditioning, two-line phones with data port, hairdryer, iron and ironing board, minibar, coffee maker with complimentary coffee, in-room safe, and cable TV. Rooms have been reserved for arrival on Saturday, January 29, 2005, and departure on Friday, February 4, 2005.

## Optional Activities

Monday • January 31, 2005

### Canopy Experience

2:30 to 5:30pm • \$95 per person.

An unparalleled trip that starts with an energizing hike through primary forest to a location high in the trees. Soar over the treetops, looking down and above at some of the most glorious vistas in the world—while communing with the animal life surrounding you. Bring your camera and your sunscreen! Includes round trip transportation. (Minors under 15 not permitted.) Minimum: 8 persons.

### Sunset River Cruise

3:00 to 8:00pm • \$62 per person

Enjoy the sunset while admiring unique nature. Arrive at the mouth of the Tarcoles River, an area considered by bird watchers as one of the richest sites in the country. After a short walk through the mangroves, board a covered boat that will take you on a splendid 2-hour river adventure. The highlight of the cruise is the colony of crocodiles that can be seen during the river ride. Bring your camera, insect repellent and sunscreen. Includes: round trip transportation, fresh fruit and refreshments before and after the boat ride. Minimum 8 persons

Tuesday • February 1, 2005

### Outrigger Canoeing

2:00 to 6:00pm • \$98 per person

Experience the beautiful seascape with lots of exercise. It's like rafting on the ocean! Paddle with your guide and colleagues from the Agujas River mouth until you reach the calm waters of Leona Bay. Glide past spectacular cliffs filled with frig-

ate birds and pelicans, land on secluded beaches where you can snorkel on the pacific coast of Costa Rica. Bring sunscreen and a towel. Includes: round trip transportation, coast guard equipped outrigger canoes, guide in each canoe, snorkeling equipment, fresh fruit and refreshments. Minimum 8 persons.

Wednesday • February 2, 2005

(Free Day – No Conference)

### Rainmaker Reserve and Manuel Antonio National Park

7:30am to 5:00pm • \$160 per person

Experience the true splendor of the primary rain forest. Pristine waterfalls, rare dart frogs, and brilliant blue monarch butterflies are just examples of the wonders you may see along a two hour walk through the tropical forest. At the top of the trail, enjoy an exhilarating plunge into a crystal clear waterfall pool. Lunch will follow at El Parador. Continue on to Manuel Antonio National Park. Famous for its unforgettable coastal scenery and its luxuriant forests, the Park offers visitors an array of diversions. The Park is one of the country's most beautiful and popular protected areas, comprising several beaches, mangroves and coastal rain forest that are home for troops of curious monkeys, colorful land crabs, lazy inguanas, and a wealth of bird life. Bring a camera, insect repellent, sunscreen, swimsuit and towel. Includes: round trip transportation, entrance fees, tour guides, and lunch. Minimum 8 persons.

### Pacific Island Cruise

8:45am to 4:45pm • \$125 per person

Enjoy the sun where green mountains, white sand beach and blue tropical waters

come together. Add gourmet cuisine and cocktails and you have a Pacific paradise at its ultimate! Glide through the calm waters of the Gulf of Nicoya, past the biological reserve islands of Guayabo and Negritos. On your way to Tortuga Island enjoy the passing scenery, watch for sea turtles and porpoises and relax on deck. Once on Tortuga, swim in the crystal clear waters, snorkel among exotic fish, hike in the islands tropical dry forest or just relax on a hammock under towering palms and lush almond trees. Bring a towel. Includes: round trip transportation, tour guide, welcome refreshment, light snacks on board, lunch on the beach, fruit and natural drinks, snorkel equipment and live music. Alcohol and bottled water not included. Minimum 30 persons.

Thursday • February 3, 2005

### Sky Walk in the Forest

1:30 to 6:00pm • \$67 per person

A rare privilege to enjoy the perspective of birds and animals living in the treetops. More than 120 species of birds have been identified as well as mammals like the Kinkajou, Agoutis, Coatis, Howler Monkeys and more. The one and a half hour walk downhill is mild to moderate, and provides breathtaking views of the ocean and coastline, as well as vegetation and waterways. Minimum 8 persons

**NOTE:** Gratuities to guides are not included in tour prices and are at the discretion of the individual for exceptional service.
