### Final Overview

84. What are the three primary reasons your community deserves to be designated a Bicycle Friendly Community?

\* 84a.

**Increased the number of LCIs from one to nine, including 2 MPO staff members. Other City staff have taken Traffic Skills 101 and the City offers LAB classes and other encouragement for staff to commute by bike to work with support of NBM activities for City staff and the community, bike rodeos at parks and schools, and public campaigns to build awareness such as bike route maps, billboards, brochures, t-shirts, PSAs on the City channel.**

\* 84b.

**The City of Las Cruces is open to exploring solutions to equitable road sharing; example is experimentation with sharrows to determine the optimum use and placement for them. Citizens are becoming more accepting of bicycling particularly when in-road bike facilities are added/improved.**

\* 84c.

**The City along with community members and the Mesilla Valley Bike Coalition have been able to come together and work on improvements for cyclists, pedestrians and motorists. The adoption of Complete Streets, the appointment of a Sustainability Officer, the formation of the Bicycle Friendly Task Force, and support for such programs as Ciclovía, National Bike Month activities, LAB education, Safe Routes to School, and bike facility improvements displays the city's commitment to establish Las Cruces as a bike friendly community.**
