About the Presenters

Sandra Kent has a BS in Chemistry and an MST in Biology. She has taught science at the middle and high school levels, has participated on statewide committees to promote science education, and has won many awards for her work.

Robert F. Lukasiak, Jr. has a Bachelor of Arts in Psychology and an MST in Mathematics. He has spent several years as a high school math teacher and is currently providing independent consulting on several projects, including CEIL.

Linda Stimson is a Language Arts Consultant for the NH Department of Education. She is also leading a seminar titled "In Search of the Novel" at SERESC for the CEIL project.

Jane Weber, M.A., M.Ed., P.D., is currently Assistant Principal for Academics at Hudson's Memorial Middle School, and a board member of the NH Council for Social Studies and the Nashua Historical Society.
