

College of Arts and Sciences Curriculum Plan - *Instructions* (01/10)

REMINDER: *You must submit your completed Curriculum Plan to your academic advisor **BEFORE** you will be able to register for the next semester!*

What is a Curriculum Plan?

Your curriculum plan is an opportunity for you to outline the courses you may enroll in during upcoming semesters. Consider all of the requirements for your degree – including CORE, MAJOR, MINOR, and/or CERTIFICATE requirements. Be aware of pre-requisites and consider requirements for Honors Program, if applicable. If you are currently undecided on your major, you should complete your Curriculum Plan for a major you are considering. Please note that this is a planning exercise. This curriculum plan may or may not reflect your actual class schedule next academic year.

How do I complete my Curriculum Plan?

Before starting your Curriculum Plan, you must first access the appropriate resources.

- Your Faculty Mentor or Academic Department faculty representative
- Arts and Sciences Departments and Programs <http://www.slu.edu/x12575.xml>
- Arts and Sciences Advising Website <http://www.slu.edu/x21165.xml>
- Core Requirements for Arts and Sciences <http://www.slu.edu/x12576.xml>
- University Catalog <http://www.slu.edu/x22728.xml>
- Career Services <http://careers.slu.edu/>
- Other Colleges and Schools at SLU <http://www.slu.edu/x435.xml>

Complete the form to the best of your ability, and then bring it with you to your Fall Pre-registration appointment so your Academic Advisor can review and discuss your plan. If you have questions about how to complete your Curriculum Plan, please contact your Academic Advisor.

Below is an EXAMPLE. Your plan will look very different. Under “Classification,” indicate if the course will fulfill a requirement for your Core, Major, Minor, Certificate, or an Elective. Include alternative courses for each semester of your plan.

FALL SEMESTER: 2010

Course Number	Credit Hours	Classification
PHIL 105	3	Core
CMM 120	3	Major
SPAN 115	3	Core
PSY 101	3	Core
CMM 100	3	Major
TOTAL HOURS:	15	
<i>Alternate Courses:</i>		
Fine Arts Course	2	Elective
ENGL 2xx (Literature)	3	Core

SPRING SEMESTER: 2011

Course Number	Credit Hours	Classification
THEO 100	3	Core
CMM 200	3	Major
SPAN 210	3	Core
ECON 190	3	Certificate
PHIL 205	3	Core
TOTAL HOURS:	15	
<i>Alternate Courses:</i>		
CMM 206	3	Major
Science Course	3	Core

College of Arts and Sciences Curriculum Plan
