Upper-division students, furthermore, must have completed 60 units, with at least one semester at SJSU.

Application Procedure:

2. Write a 2-3 page essay regarding how you will use the scholarship, if awarded. (Discuss participation in a study abroad program or your research study and how this will augment and/or fulfill requirements for your degree at SJSU.)
2. Attach your MY SJSU transcript. Request transcripts from other universities/colleges. Submit these transcripts when they arrive.
3. Attach a resume including employment, volunteer work, studies and academic-related awards, achievements, papers or other publications.
4. Include a faculty nomination letter. The nomination letter should discuss how the study abroad, field work, or research enhances your academic career at SJSU.
5. If you have not already applied for financial aid for this academic year, apply now with the FAFSA (Free Application for Federal Student Aid). You do not have to qualify for financial aid to receive this award, but you do have to have some demonstrated financial need as determined by the SJSU financial aid/scholarship office. To be able to determine financial need, they must have your FAFSA on file.
