RENTAL INFORMATION

Intirion™ will make the rental unit available during the first 2 weeks of class. Intirion does not guarantee the unit will be in the room upon your arrival. Do not bring food with you to school. Intirion will not be responsible for any food items spoiled prior to the arrival of the rental unit. In cases where the rental unit is to be picked up at a central location, the student (with identification) is responsible for going to that location to meet with the Intirion representative. The MicroFridge® with Safe Plug® combination appliance is not to be moved off campus property under any circumstances. If a student decides to move or transfer anytime during the academic year, including semester break, they must notify Intirion of their intention prior to their move. Intirion will move the rental unit at the student's request for a \$30 fee.

THE MICROFRIDGE® PROTECTION PLAN

For the low cost of \$19.99 per year, you can purchase the MicroFridge® Protection Plan. This Protection Plan is available on all rental units and will cover you in the event that your unit is damaged or lost. The cost of a replacement MicroFridge unit can exceed \$500, so we recommend you purchase the MicroFridge Protection Plan to protect yourself and your MicroFridge!

REFUND & CANCELLATION POLICY

For semester rentals, a complete refund less a \$45 processing fee and a pro-rated usage fee will be issued if requested within 15 days of installation.
