**DATE:** \_\_\_\_\_ **EVALUATOR'S NAME:** \_\_\_\_\_

**PRESENTER'S NAME:** \_\_\_\_\_

**NATION REPRESENTED:** \_\_\_\_\_

Presentations are intended to give you a better idea of the challenges and opportunities faced by the nation discussed *with particular attention to science and technology*. You should get a basic understanding of any relevant recent developments in the nation. For each scale, clearly mark how you would rate this presentation by giving it a score on a scale of 1-100 AND provide supporting argumentation with examples ON THE BACK OF THIS SHEET.

Presenters will receive copies of your feedback and your ratings on their visual aids (the information on the back of this sheet). They will NOT receive copies of the front of this sheet. The completeness and usefulness of your comments affect YOUR grade. The ratings you give will affect the presenter's grade.
