RESIDENCE HALL LICENSE TERMS AND CONDITIONS
2011–2012 ACADEMIC YEAR

I. Residence Hall Program: Philosophy and Goals

The Residence Life Office mission is to support, complement, and enhance the academic mission of the college through the provision of a dynamic residential life program, including opportunities that encourage individual growth and development for a diverse resident student population, facilities which are secure and well maintained, and management services that ensure the orderly and effective administration of all aspects of the program. The Residence Life Office utilizes operational standards developed by the Council for the Advancement of Student Affairs and the Association of College and University Housing Officers-International. The American College Personnel Association standards for ethical conduct serve to guide the work of each staff member within the Residence Life Office.

II. Terms and Conditions of Residence Hall Living

- A.** Students must be registered in a Buffalo State-affiliated educational program to be eligible for campus housing. The Director of Residence Life may assign other occupants to any vacancies that may exist after all student requests have been satisfied, excluding "Family College."
- B. Residence hall occupancy is for the entire academic year; residence halls must be vacated at the end of spring semester.** Room rental charges are billed on a semester basis. Residents leaving the halls during the term of residency covered by the license without approval, who are still enrolled, continue to be liable for room and board charges which accrue against their account.
- C.** All undergraduate resident students with less than 60 academic credits must purchase a meal plan each semester (excluding those who live in the Moore Complex Apartments and Student Apartment Complex). All resident students must also have a health history, physical examination, and complete immunization record on file at the Weigel Health Center.
- D.** Full payment or deferment for room and meal plan fees must be received in advance of occupancy (see section VI, Financial Responsibilities). Note: Students will have a hold placed on their records if any outstanding financial obligations to the college are not met.
- E. To receive first preference for on-campus housing, requests must be received by June 1. Applications will be accepted after June 1 on a space-available basis. The Residence Life Office is not responsible for housing students during break periods; students must vacate halls at the commencement of breaks according to the published Residence Life Office schedule. The college reserves the right to change break periods. **Moore Complex and Student Apartment Complex residents:* Students in these halls can opt to remain on campus during break periods if they register with the Residence Life Office prior to each break. In addition, Family College residents are permitted to maintain 12-month occupancy. Additional room charges may apply for residents wishing to remain on campus during break periods.

VI. Financial Responsibilities (see also II.B, VII.A)

- Room rental is for the full academic year with payment on a semester basis.
- A. Fees.** All room fees are payable on a semester basis. The majority of upper division student rooms are designed for double occupancy. Some single rooms may be available for students at a higher rate. First year students may be housed three students to a room as needed. Students occupying a three person room are compensated for their stay within a three person room. Requests for single rooms due to medical reasons are contingent upon availability and the approval of the Director of Residence Life, the college physician, and substantiating documentation. The college reserves the right to maintain rooms at their designed occupancy or increase occupancy if needed.

B. Payment of Fees

1. Fall semester reservations made before June 1: A \$200 check, money order, or credit card advance room and board deposit, payable to Buffalo State – Residence Life Office, is required of all students who register for a room before June 1. The balance of room and meal plan charges must be paid by the date stated on the college bill, or the room reservation will be canceled. The \$200 deposit is applied to room charges only. Note: Returned checks and canceled credit card transactions may result in a returned check fee and/or cancellation of reservations.
2. Fall semester reservations made after June 1 and all spring semester reservations: Advance deposit is not accepted for these time periods. Full payment of room and meal plan charges must be received before a housing assignment can be made. Returned checks and canceled credit card transactions may result in a returned check fee and/or cancellation of reservations.

C. Withdrawal and Refund Policies

1. **Withdrawal:** Students who decide to withdraw from the college must terminate their residence hall license by notifying the Director of Residence Life in writing. Failure to terminate occupancy in the prescribed manner may result in additional room rental charges (see section VII.A). After arranging withdrawal from the college, the resident must follow the procedures listed in section VI.D. Residents who withdraw from the college must vacate the residence hall and remove all personal belongings from the premises no later than midnight of the date on which the withdrawal becomes effective.
2. **Returning Students:** Students who have reserved a room for the following academic year but decide not to return to the assigned room must notify the Residence Life Office in writing by June 1. After June 1st, housing applications can only be cancelled by Academic dismissal, graduation, withdrawal, leave, or transfer from the college.
3. **Refunds**
 - a. The \$200 advance room and board deposit will be refunded only after the following conditions have been met:
 1. Written notice of cancellation is received by the Director of Residence Life prior to June 1 for the fall semester, or
 2. The student is denied permission to register by the college, or
 3. After June 1, the student withdraws from the college due to circumstances beyond his or her control (i.e., medical). Requests for refunds under these circumstances must be supported by written documentation, approved by the Directors of Residence Life and Student Accounts, and be received prior to the fall opening of the residence halls.
 - b. Room fee refunds may be granted as follows:
 1. Students withdrawing from the college or released from residence after June 1 who have pre paid room and board shall be entitled to a refund, minus the \$200 deposit, if a written request is received by the Director of Residence Life prior to the opening of the residence halls for the semester in question (Fall Semester only).
 2. A student who fails to notify the Director of Residence Life in writing prior to the hall opening date of his or her first semester of campus residency that he or she will not be living on campus may be liable for the entire semester's fee, subject to an application for a refund. This application is made in writing to the Director of Residence Life.
 3. Room refunds will only be granted if a student officially withdraws from the college. Room refunds will be prorated the same as tuition refunds.
 4. A prorated refund will be granted only if a student withdraws from the college and campus housing due to circumstances beyond his or her control (i.e. medical). In such cases, the student must provide written justification for the refund to the Director of Residence Life. If approved, the refund will be computed from the date of notification/withdrawal.
 5. A refund check will be mailed to the student's last known permanent address by the Student Accounts Office, if all financial obligations to the college have been met.

D. Check-out Procedure

1. To check out of campus housing (including the end of each semester), students must first arrange for withdrawal from the college, if appropriate, and then from the residence hall (see section VII.A). Proceed as follows to properly terminate residence hall occupancy:

E. Room Inspections

Room inspections are conducted before occupancy, during college breaks, at termination of occupancy, and during the academic year. Damage beyond normal wear and tear that occurs to the room, suite, furnishings, or bath area between inspections shall be the financial responsibility of the occupants. Charges for damage in public areas shall be the responsibility of the student or students involved. All appeals concerning damage bills must be received by the Director of Residence Life in writing within 30 days of invoice date. Payment for damages must be made by the student to the Student Accounts Office. A hold will be placed on the student's records until payment for damages is received. Delinquent accounts will be forwarded to the State Attorney General's Office for collection.

VII. License Termination Policies

- A.** Permission to terminate this license is requested by submitting a Request to Terminate Residence Hall License. This request, if granted, is typically obtained at such time when the documented reason for the request is December graduation, withdrawal from college, study abroad, or a similar situation. The Director of Residence Life may at his or her discretion approve or disapprove a properly completed Request to Terminate Residence Hall License. A \$200 termination fee, plus any related housing charges, will be assessed to any student requesting and receiving approval for termination for reasons other than graduation, transfer, withdrawal or exchange program. A resident's failure to obtain approval in advance of moving out may result in the request being denied, and a full room charge liability will be incurred. Requests other than graduation, withdrawal, study abroad, or transfer are not normally approved.

NOTE: Throughout this license, "Director of Residence Life" refers to the director or his/her designee. Information in this document is subject to change as determined by the Residence Life Office. It is understood that by signing the License Terms and Conditions you agree to abide by the regulations and policies set forth in these terms and conditions and to meet all financial responsibilities relating to room and meal plan charges.
