

Welcome to Mobile County

How to register your vehicle in Mobile County, Alabama

The Mobile County License Commissioner's office would like to welcome you to Mobile County. We are proud of our county's rich heritage and scenic beauty, and we are glad that you have chosen Mobile as your new home.

A new Alabama resident is required to title and register his/her vehicle within thirty (30) days of moving into the state with a valid out-of-state registration. State law requires an Alabama resident who owns a motor vehicle to obtain a title for the motor vehicle if it is a 1975 or newer model. Boats are not titled. The registering of boat trailers is optional. You may apply for an Alabama title at any motor vehicle office in Mobile County. Titles are issued in Montgomery and mailed to the vehicle owner or lienholder. The fee for applying for title is \$18.00.

We have outlined some basic requirements in order to assist you in the registration and titling of your vehicle. The points listed below may not cover your particular needs. **For additional information, call (251) 574-8551 or visit our website at www.LicenseMobile.com**
