- The Keystone logo does not appear on personalized registration plates.
- PennDOT reserves the right to limit or reject certain requests.
- The fee to personalize your dealer registration plates is an additional \$100. Your dealer registration plate must be current in order for PennDOT to process your request. **The additional \$100 fee covers the cost of your personalized registration plate order only and will not renew your vehicle's registration.**
- To check personalized registration plate availability, visit PennDOT's Driver and Vehicle Services website, www.dmv.pa.gov, and select Plate Availability from the list of services under the Vehicle Services heading. Personalized registration plates will not be reserved until PennDOT receives payment and a completed application, and approves your requested registration plate configuration [number(s) and/or letter(s)]. Please note that registration plate requests are processed on a first-come, first-served basis. Although a requested registration plate configuration may show as being available on the website, it is possible that a request for the same registration plate configuration may have already been submitted by another customer and may not be available when making application.
- Personalized registration plates will be manufactured on the basis of this application. **NO REFUND** of the fee will be issued when an applicant cancels a request after the order is placed with the manufacturer.
- Allow eight to 10 weeks for delivery.
