

**EXEMPTION CERTIFICATE AND
STATEMENT OF DELIVERY IN INDIAN COUNTRY****NOTE TO SELLER AND PURCHASER**

Sales tax does not apply when a retailer transfers ownership of merchandise (tangible personal property), including a vehicle, vessel, or aircraft to an Indian purchaser in Indian country, provided the Indian lives in Indian country. The Indian purchaser is not required to live on the specific reservation where ownership transfers.

Retailers located outside Indian country may sell to Indian purchasers who request delivery in Indian country. For a sale to qualify as a transfer of title (ownership) in Indian country, both of the following conditions must be met:

- The contract of sale or other sales agreement cannot transfer ownership of the item to the purchaser before it is delivered in Indian country; and
- The purchaser or purchaser's agent cannot take possession of the item before delivery in Indian country.

In addition, the retailer generally must deliver the product by:

- Using the retailer's vehicle or other facilities of the retailer; or
- By mail, common carrier (UPS, FedEx, etc.), or contract carrier (a shipping, trucking, or transport company), when both of the following requirements are met:
 - o The contract of sale or sales invoice must include a statement specifically requiring delivery in Indian country (for example, F.O.B. name of Indian reservation); and
 - o The goods are in fact delivered to the purchaser in Indian country.

When delivery does not take place as described above, ownership of the item being sold or purchased generally transfers to the purchaser outside Indian country. *Please note:* This is a general description of transfers of ownership in Indian country. Specific rules may apply to certain types of sales and leases.

This document may be used to document that the sale was to an Indian purchaser residing in Indian country and/or to document that delivery occurred in Indian country. The section labeled "Exemption Certificate" may be used to document that the property was sold to an Indian purchaser residing in Indian country. Completion of this section in full by an Indian purchaser will provide the retailer with sufficient documentation that the property was sold to an Indian residing in Indian country. Additional documentation showing transfer of ownership and delivery of the property to the Indian purchaser in Indian country must also be obtained. If the property is delivered by facilities of the retailer, proper completion of the Statement of Delivery and Notary Statement may serve as documentation that transfer of ownership and delivery of the property to an Indian purchaser occurred in Indian country. If the property is delivered via common carrier or contract carrier, completion of the Statement of Delivery and Notary Statement is not required. Instead, the retailer should retain a bill of lading or other documents showing delivery in Indian country along with a contract of sale or other sales agreement specifically showing title passing to the Indian purchaser in Indian country.

For California sales and use tax purposes, an "Indian" is a person who is both of the following:

- An individual of American Indian descent, and
- Eligible to receive services as an Indian from the United States Department of the Interior.
