I, _____, desire to obtain a Fort Benning Hunting and/or Fishing Permit and engage in these activities on the installation. By my signature on this document, I acknowledge that I am aware of the risks posed by my utilization of installation facilities. I understand that activities associated with hunting and fishing can be both physically rigorous and entail substantial risks. I hereby certify that my physical health is such that I am able to participate in these activities. I further certify that I have familiarized myself with applicable laws, rules, and Fort Benning Regulations concerning hunting and fishing on the installation. I am specifically aware that while Fort Benning requires me to log in when hunting or fishing, this procedure is for control purposes only, to ensure that the number of recreational users do not exceed an area's capacity. I agree I will not hunt or fish, or do other recreational activities alone, or if I do so, I will inform a family member or another where I will be and when I intend to return and will instruct that individual to notify installation officials if I do not return at the agreed time. I understand that installation officials will not physically verify I have left the area following my recreational activity, absent such notification.

In consideration for the privilege of hunting and fishing or using the installation recreational facilities, a benefit I will receive, I agree to release and hold harmless the United States Government and its activities (including MWR activities) from any damages to property or injuries that I may suffer incident to or arising out of my participation in these activities. Specifically, I agree to release and hold harmless the United States, its officers and its agents from any and all liability and claims for damages to property or injuries to persons that may arise or be incident to my participation in these activities. Further, I agree to release and hold harmless the United States, its officers and its agents, against any claims, demands, actions, debts, liabilities, judgments, costs, or attorney's fees arising out of, claimed on account of, or in any manner predicated upon my use of Fort Benning facilities and/or equipment including any loss or damage to property, any injury or death of any person, in any manner, caused or contributed to by the United States, its officers, or its agents.

BY SIGNING, I DECLARE THAT I HAVE READ AND VOLUNTARILY ENTER INTO THE TERMS OF THIS WAIVER AND HOLD HARMLESS AGREEMENT.
