

Lake Tåkern Pike Fishing, 7 nights

We would like to invite you to an exclusive private fishery in Sweden, which offers world class pike fishing (fly fishing, spin fishing or jerkbait fishing). We are the only operator with an access to the best part of the lake, which is boiling of hungry and strong pike, ready to grab your surface fly or lure. The package includes world class pike fishing, cottage type accommodation in a private cabin by the lake and guide service. Lake Takern is also a true paradise for tench and rudd enthusiasts (and bird watchers as well!).

Included in package:

Your stay includes:

- 7 nights in the cottage
- an exclusive lake fishing permit for the duration of your stay
- a fishing boat with an electric motor (1 boat for 2 persons)
- care of an experienced fishing guide throughout your stay.

Price fr. 16 500 SEK/person

Availability is highly limited; please contact us as soon as possible. A group must include at least 2 people (maximum 6 people).

Höje Fishing & Hunting

Are you looking for excellent, exclusive fishing, top-class lodgings and a culinary experience that surpasses the ordinary? Then you've come to the right place! Here at Höje Hunting and Experiences we offer fishing in private waters locate in and near Lake Tåkern, on of the absolutely top birding waters in Europe. The accommodations are in the same class as the fishing, whether you choose self-catering near the shore or full board at the Höje Jägmästaregård (forest officer residence). Nor should you under any circumstances miss the culinary experience a stay with us offers, based on local raw materials prepared from the start.
