

2013-2014 Verification Worksheet

Your application was selected for review in a process called “Verification.” In this process, your school will be comparing information from your application with your and your parent(s)’ 2012 Federal tax information or other financial documents. The law says we have the right to ask you for this information before awarding Federal aid. If there are differences between your application information and your financial documents, you or your school may need to make corrections electronically or by using your Student Aid Report (SAR).

Complete this verification form and submit it to your financial aid administrator as soon as possible, so that your financial aid won’t be delayed.
