

Letter of Intent to Take EE M.S. Comprehensive Exam

To: Dr. Chunjiang Qian, EE Graduate Advisor of Record

I, _____ (ID: _____)
hereby declare my intent in taking the Spring 2006 EE M.S. Comprehensive Exam. My choices of three subjects are the three checked ones below:

- EE5123 Computer Architecture
- EE5143 Linear Systems and Control
- EE5153 Random Signals and Noise
- EE5163 Digital Signal Processing
- EE5183 Foundation of Communication Theory

Attached please also find an official copy of my transcript and an acceptable program of study. I have also accepted the responsibility in making sure that I am qualified to take this exam according to the guidelines specified in the UTSA Graduate Catalog 2005-2007 (page 59), including the following:

- being in good academic standing, and
- having completed all admission condition(s), if any.

If I am in any way not qualified to take this exam, I will have to petition to the EE Graduate Studies Committee for approval before taking the exam.
