

**B**y signing below as an Early Decision applicant, I agree to enroll if I am accepted under either the Early Decision I or Early Decision II process. I agree to withdraw all applications to other colleges and universities and enroll at the University. I understand that this option is **NOT** an Early Action plan, and is a binding agreement between the University and myself. I further understand that I am still eligible to apply for financial aid awards through both the merit-based scholarship and need-based financial aid processes.

## **HONOR CODE**

More than 100 years ago, Sewanee students and faculty mutually pledged that they would live together in an honorable society. Today the Honor Code is Sewanee's most cherished tradition. All who make up the University community are expected to conduct themselves with integrity, responsibility, and with a regard for the rights, possessions, and privacy of others. Sewanee life is built upon mutual trust.

If you are accepted and choose to matriculate at Sewanee, you will be asked to sign a statement indicating that you understand and agree to the principles of our Honor Code.
